

JUST IN TIME!

Trucks for Kids

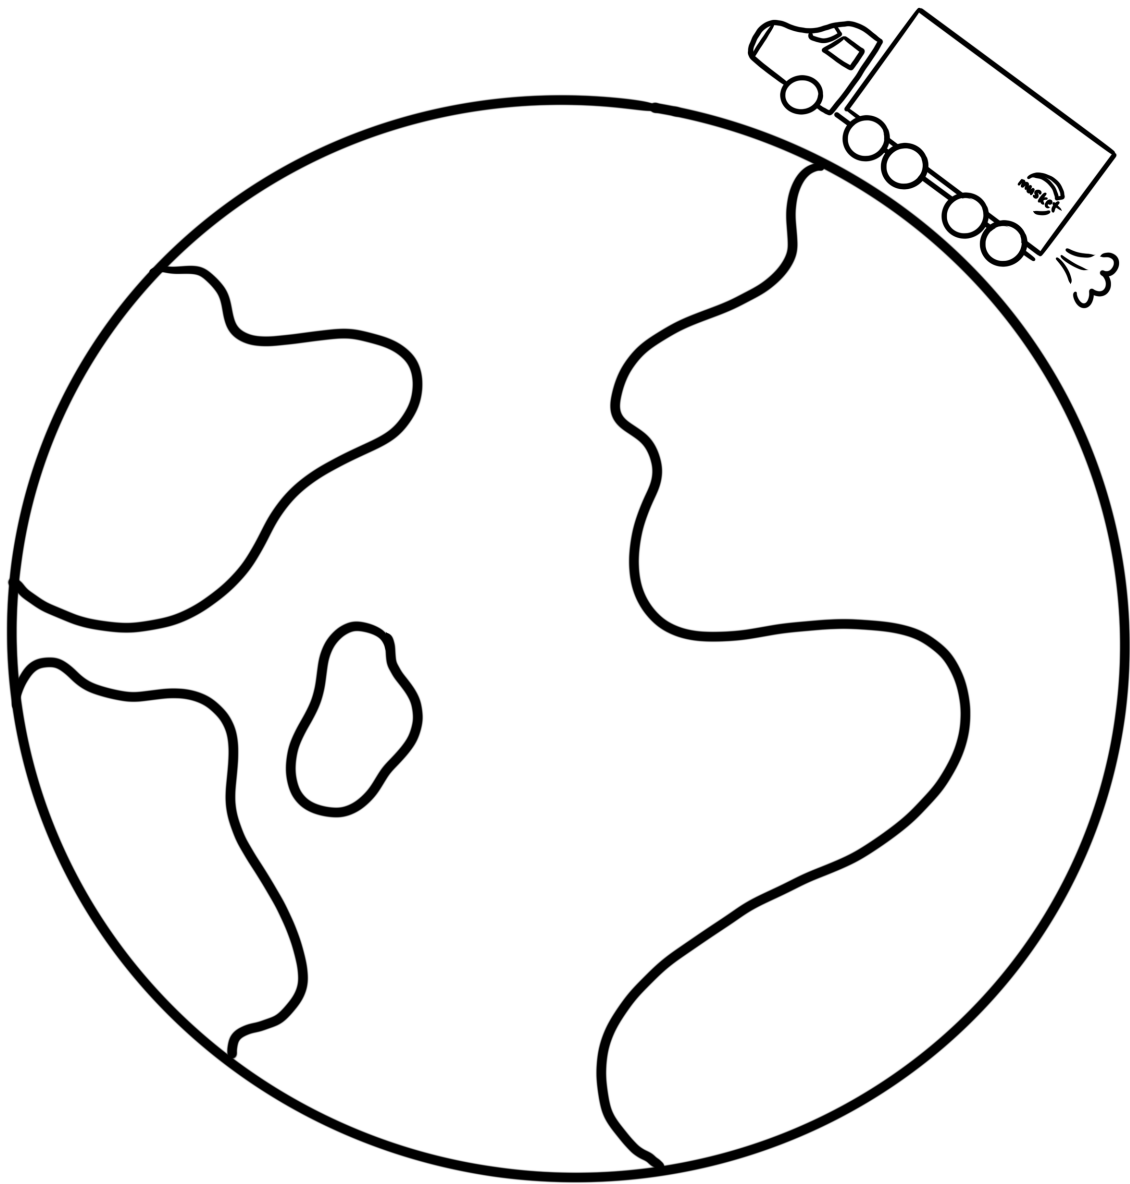

Colouring Book

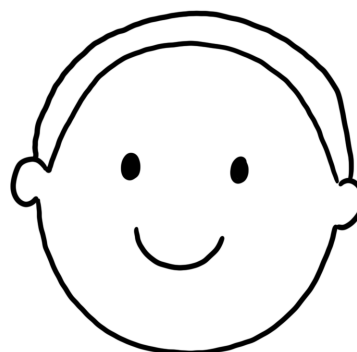

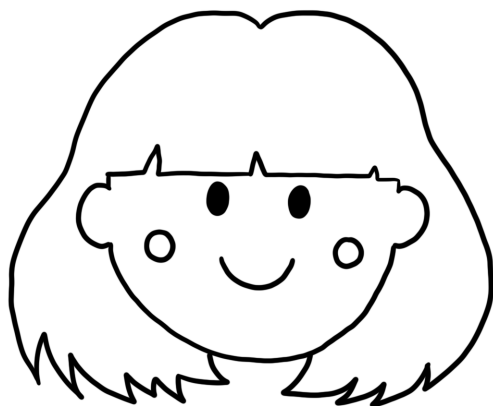

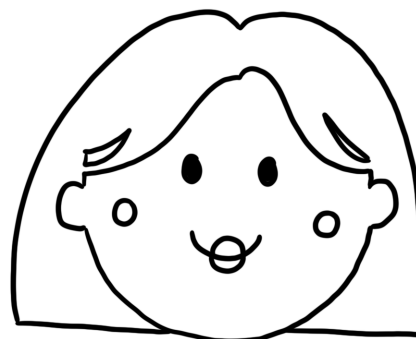

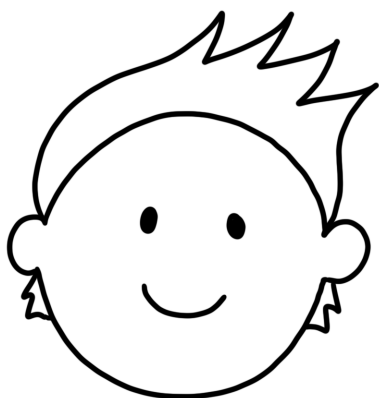

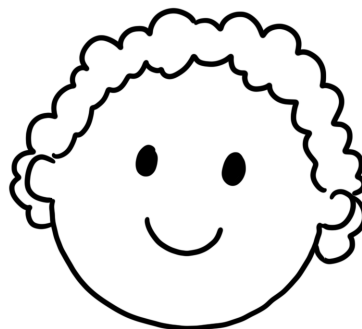

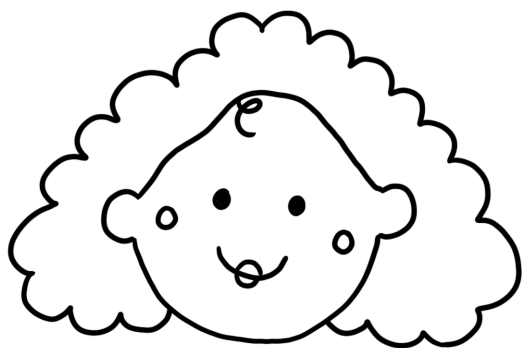

Sophia Begidzhanov & Alana de Haan

The freight must flow.

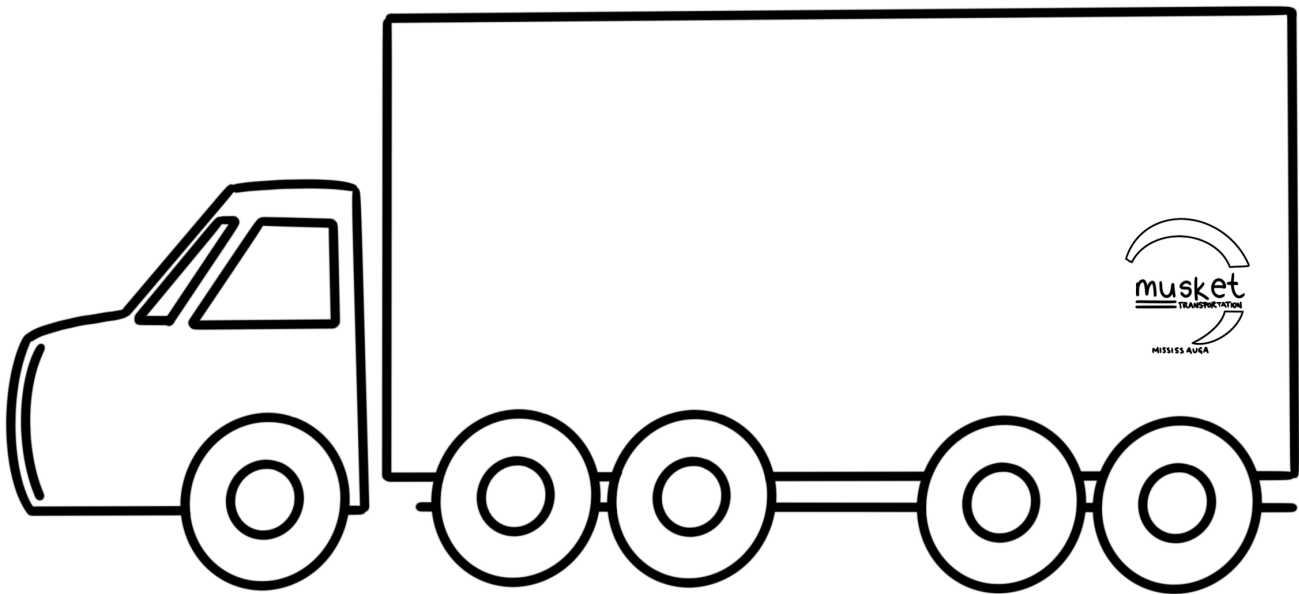

Without us goods have
nowhere to go!

The globe is
connected like one
small village,

but the truck is the
one with all of the
mileage!

Truck drivers deliver
food for us,

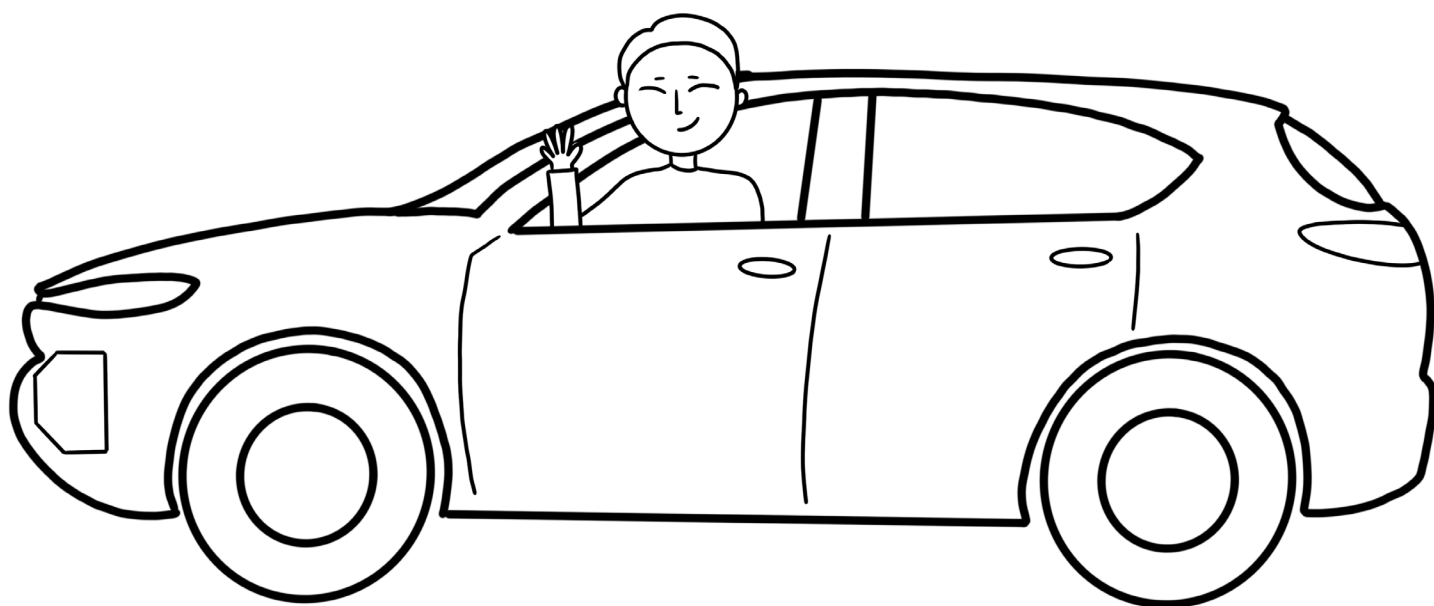

and they fill our
house.

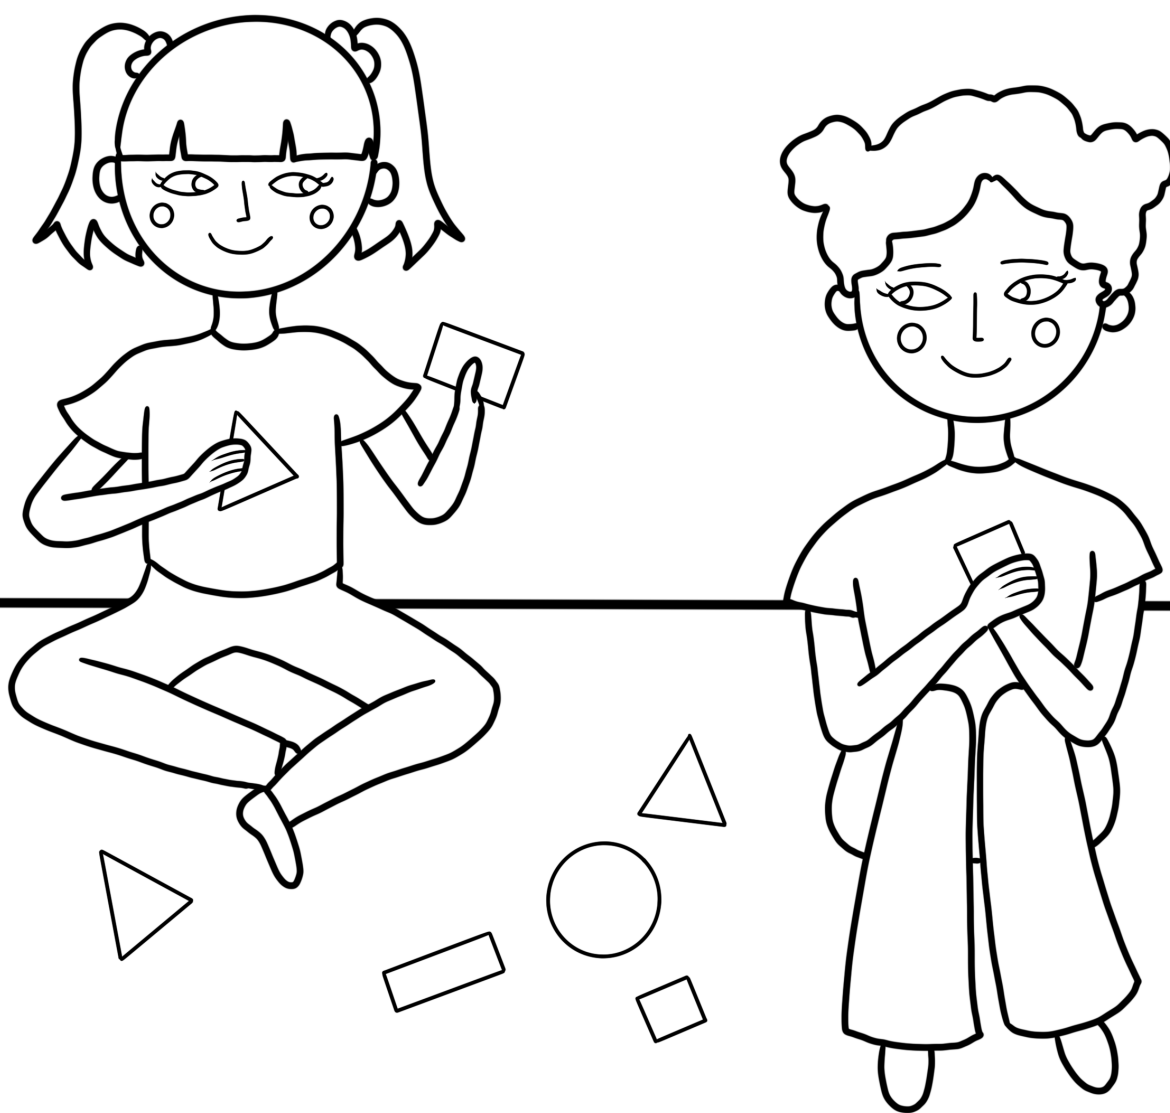

Drivers make sure there
is coffee for mommy,

and a safe car for
daddy.

They deliver toys for
you and your friends,

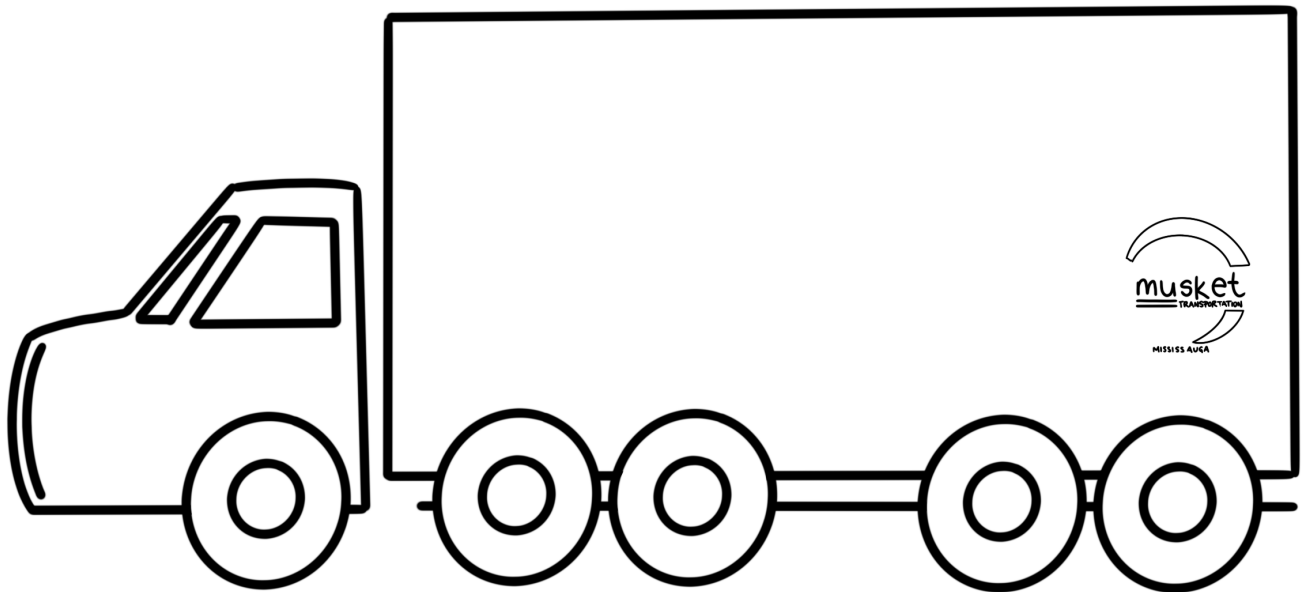

and medicine for
grandparents.

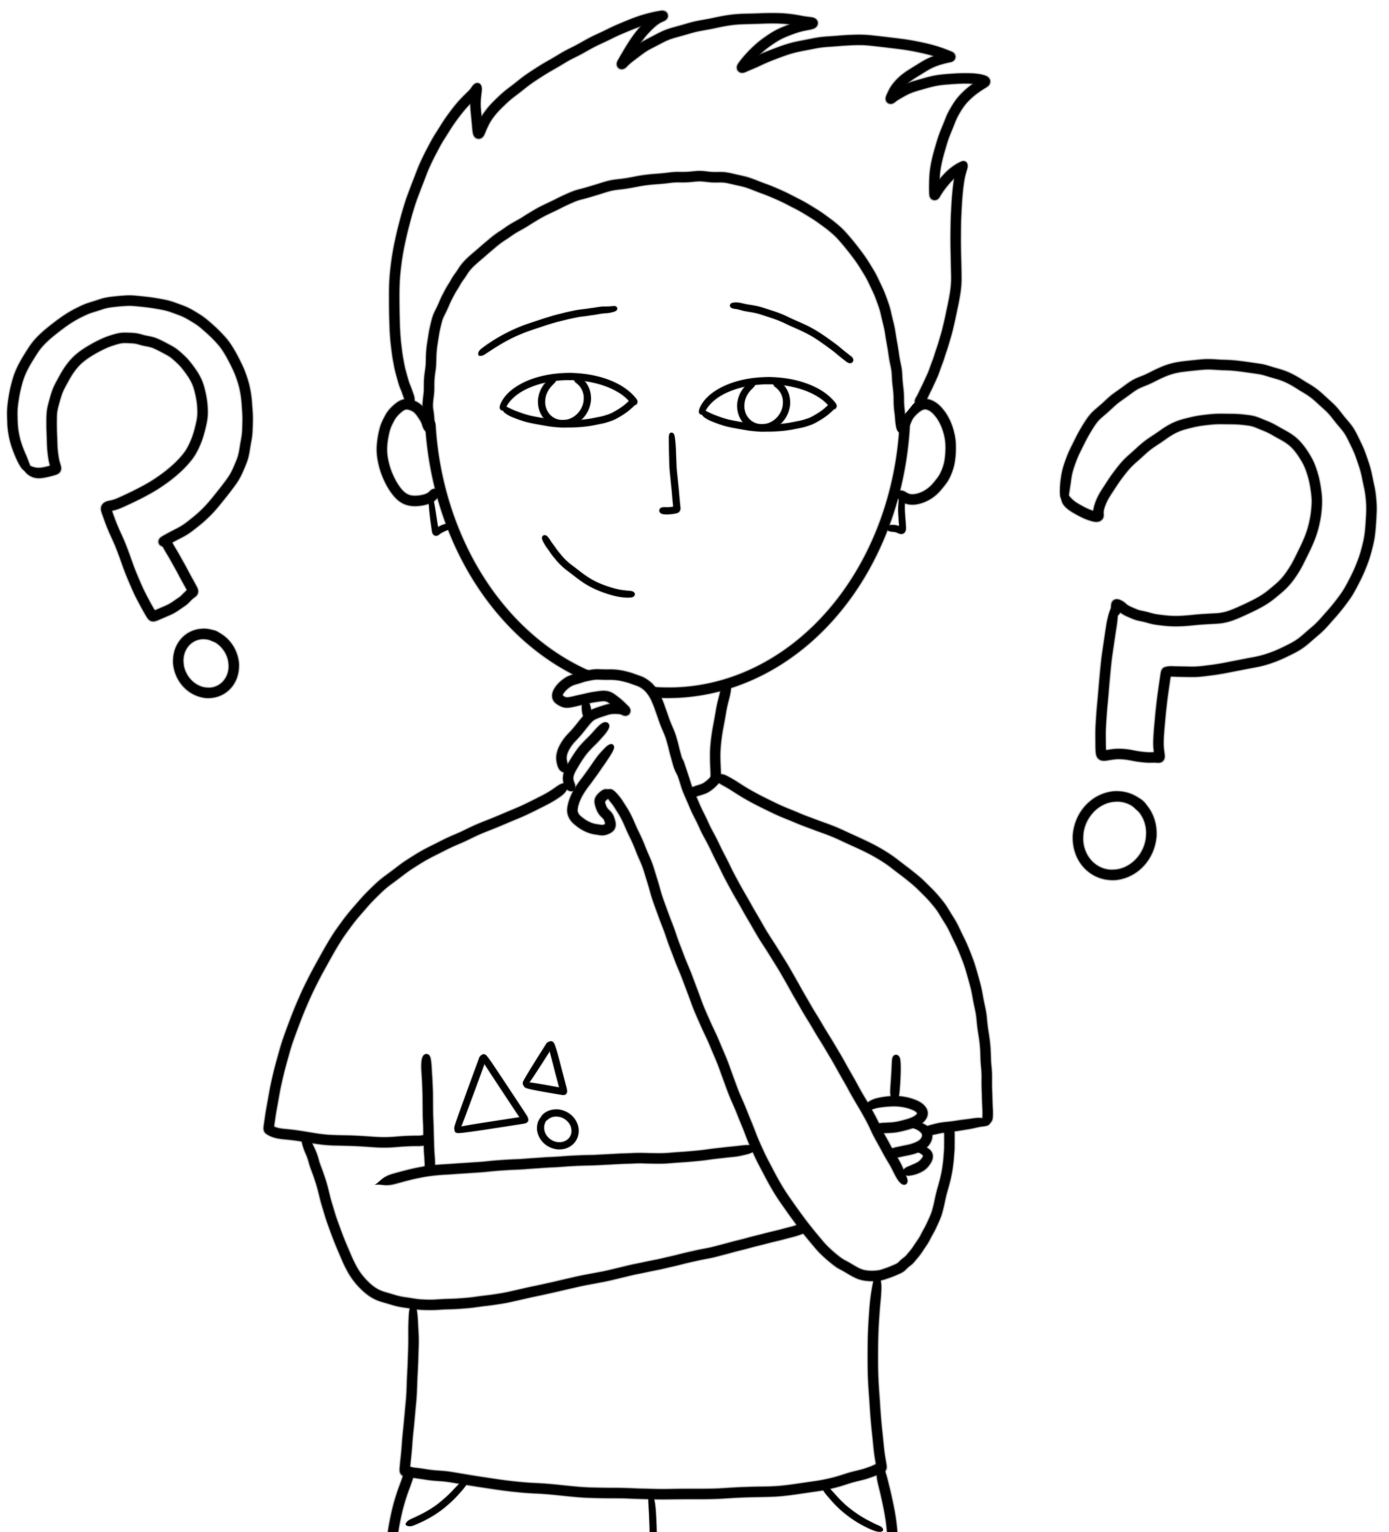

Everything you
see...

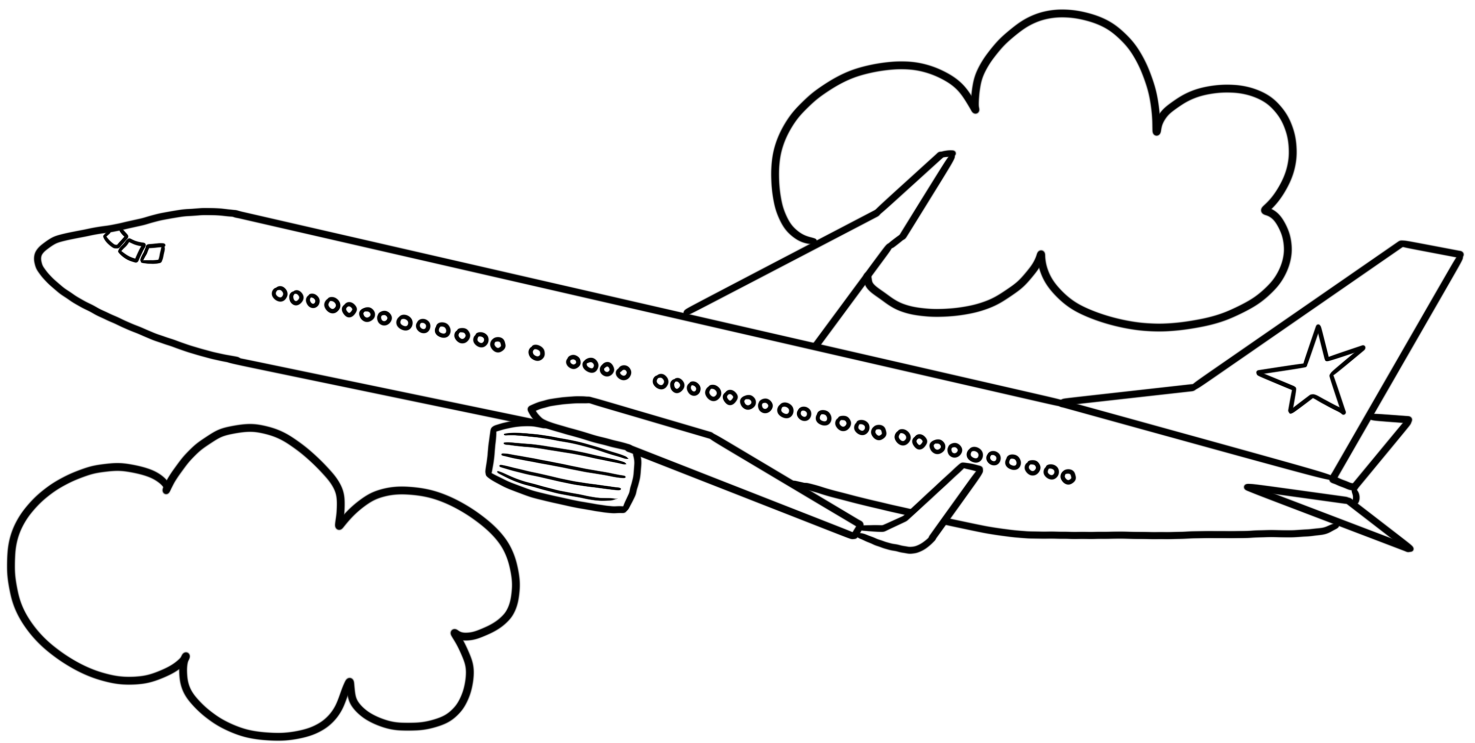

Comes just in
time because of
me!

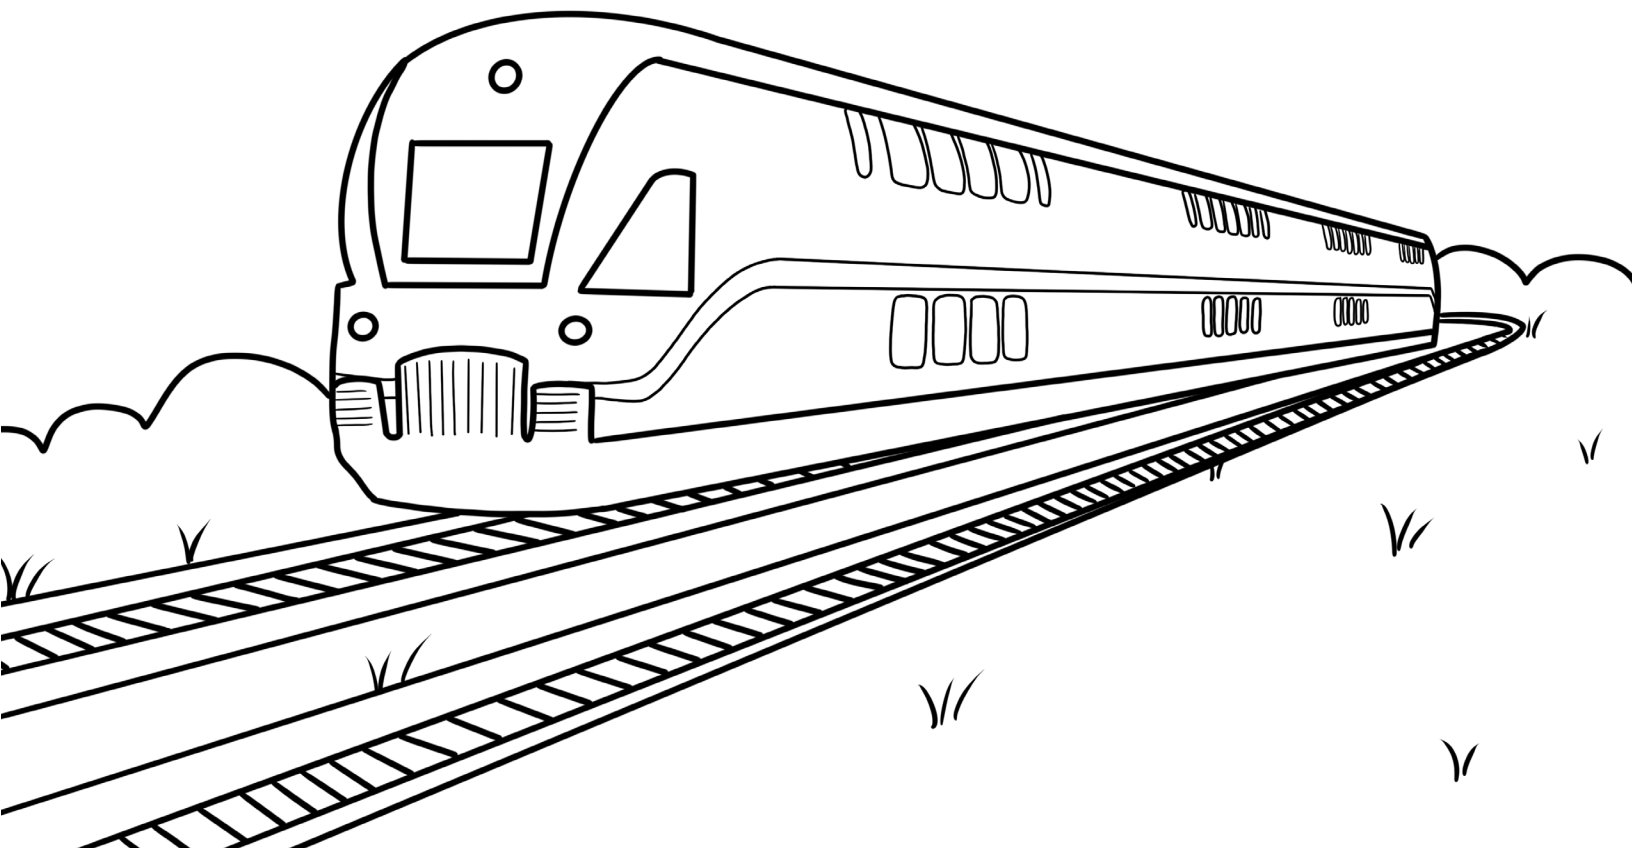

Even if...

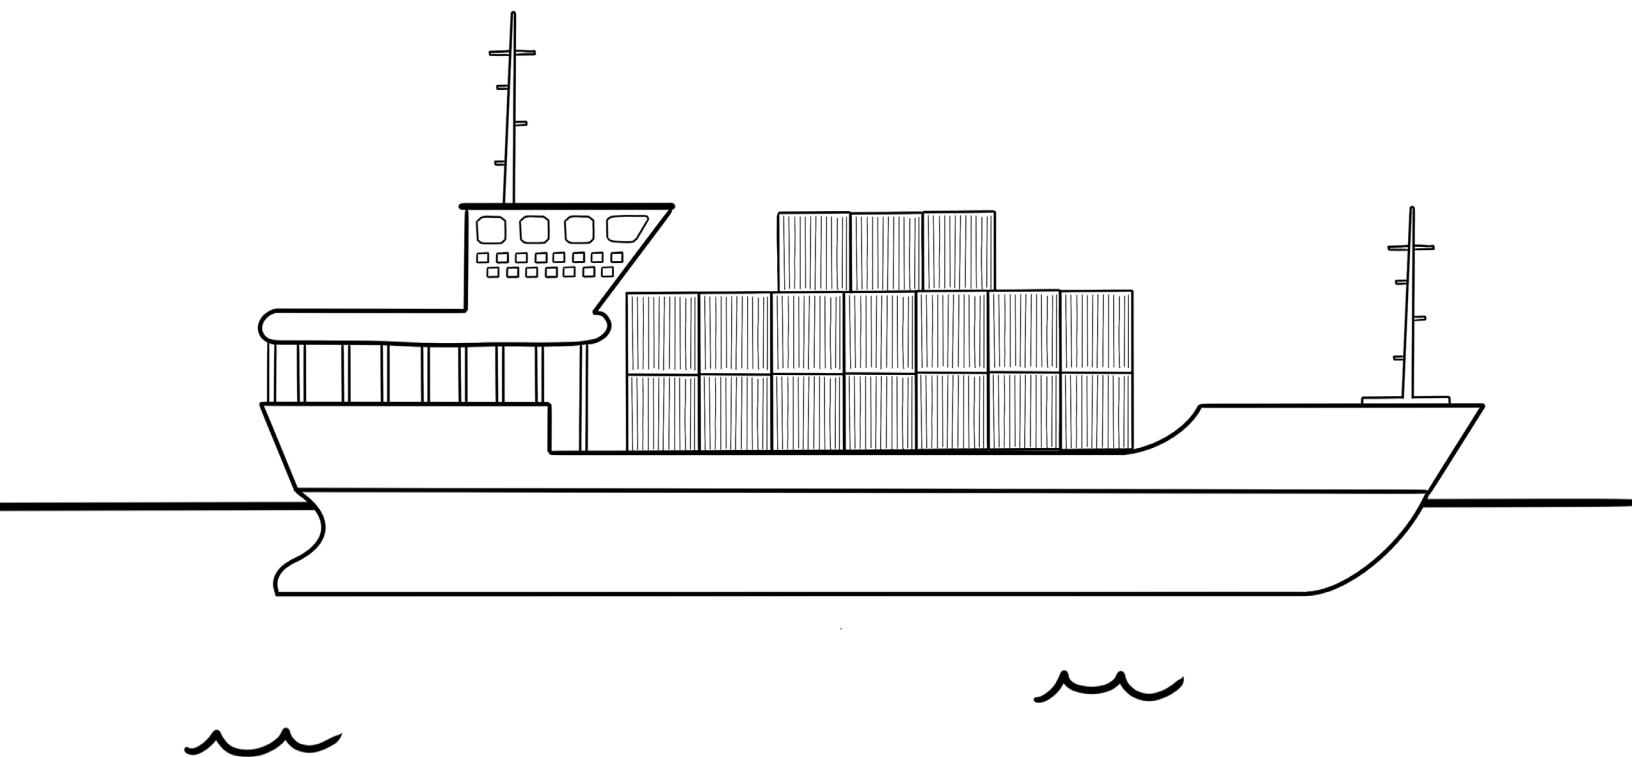

Something comes
by plane,

train,

or ship.

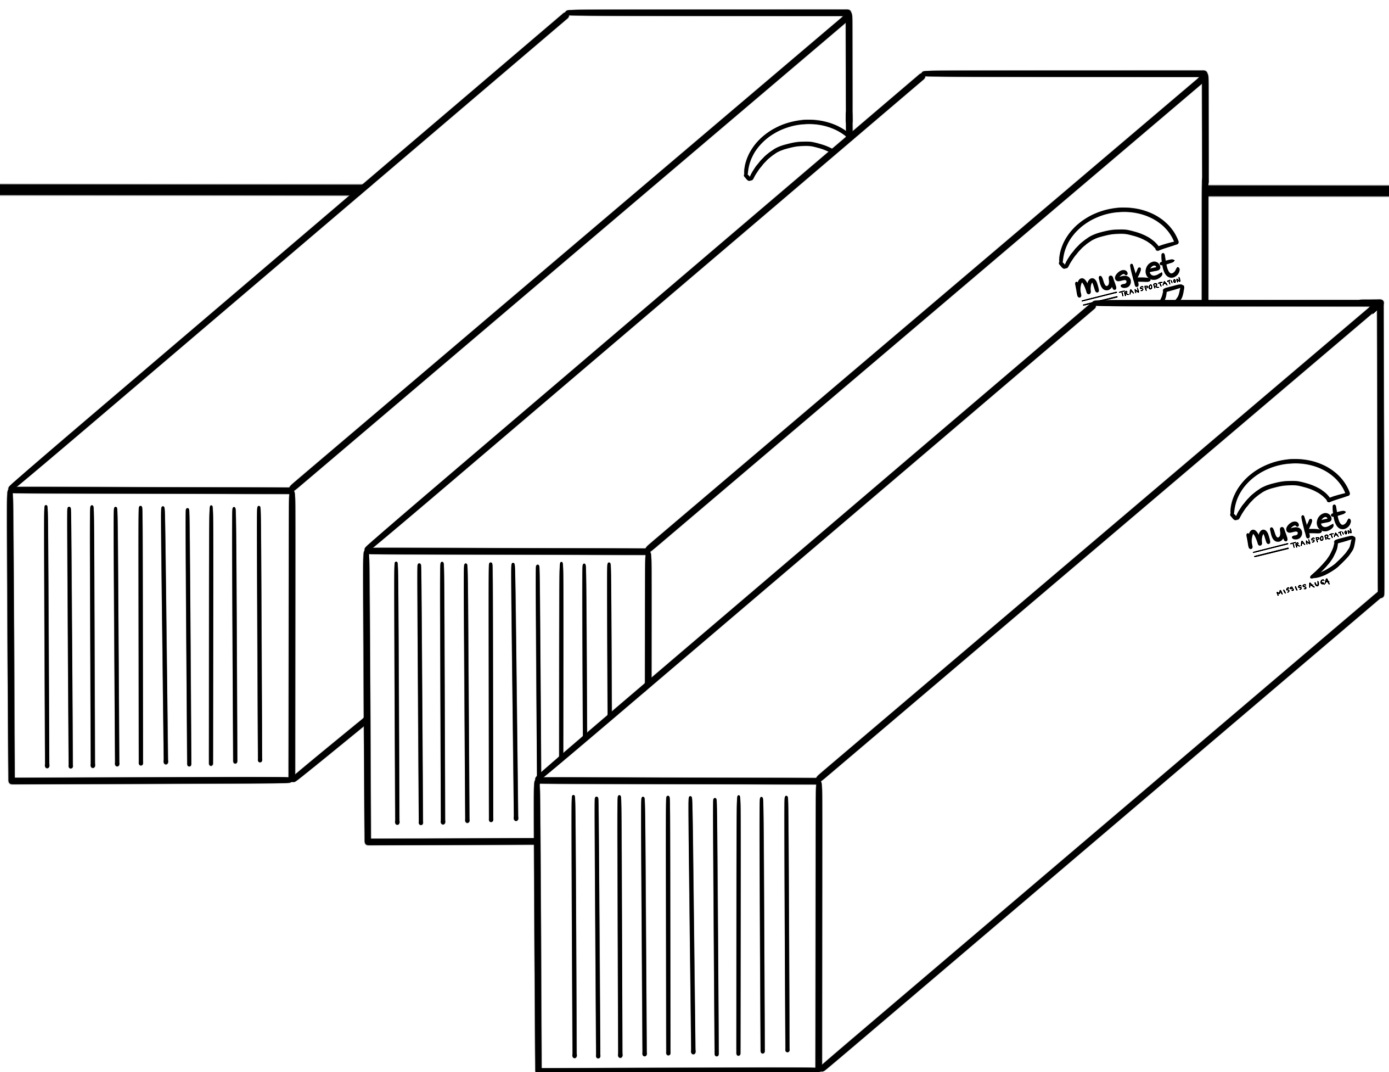

The end delivery
is always by me!

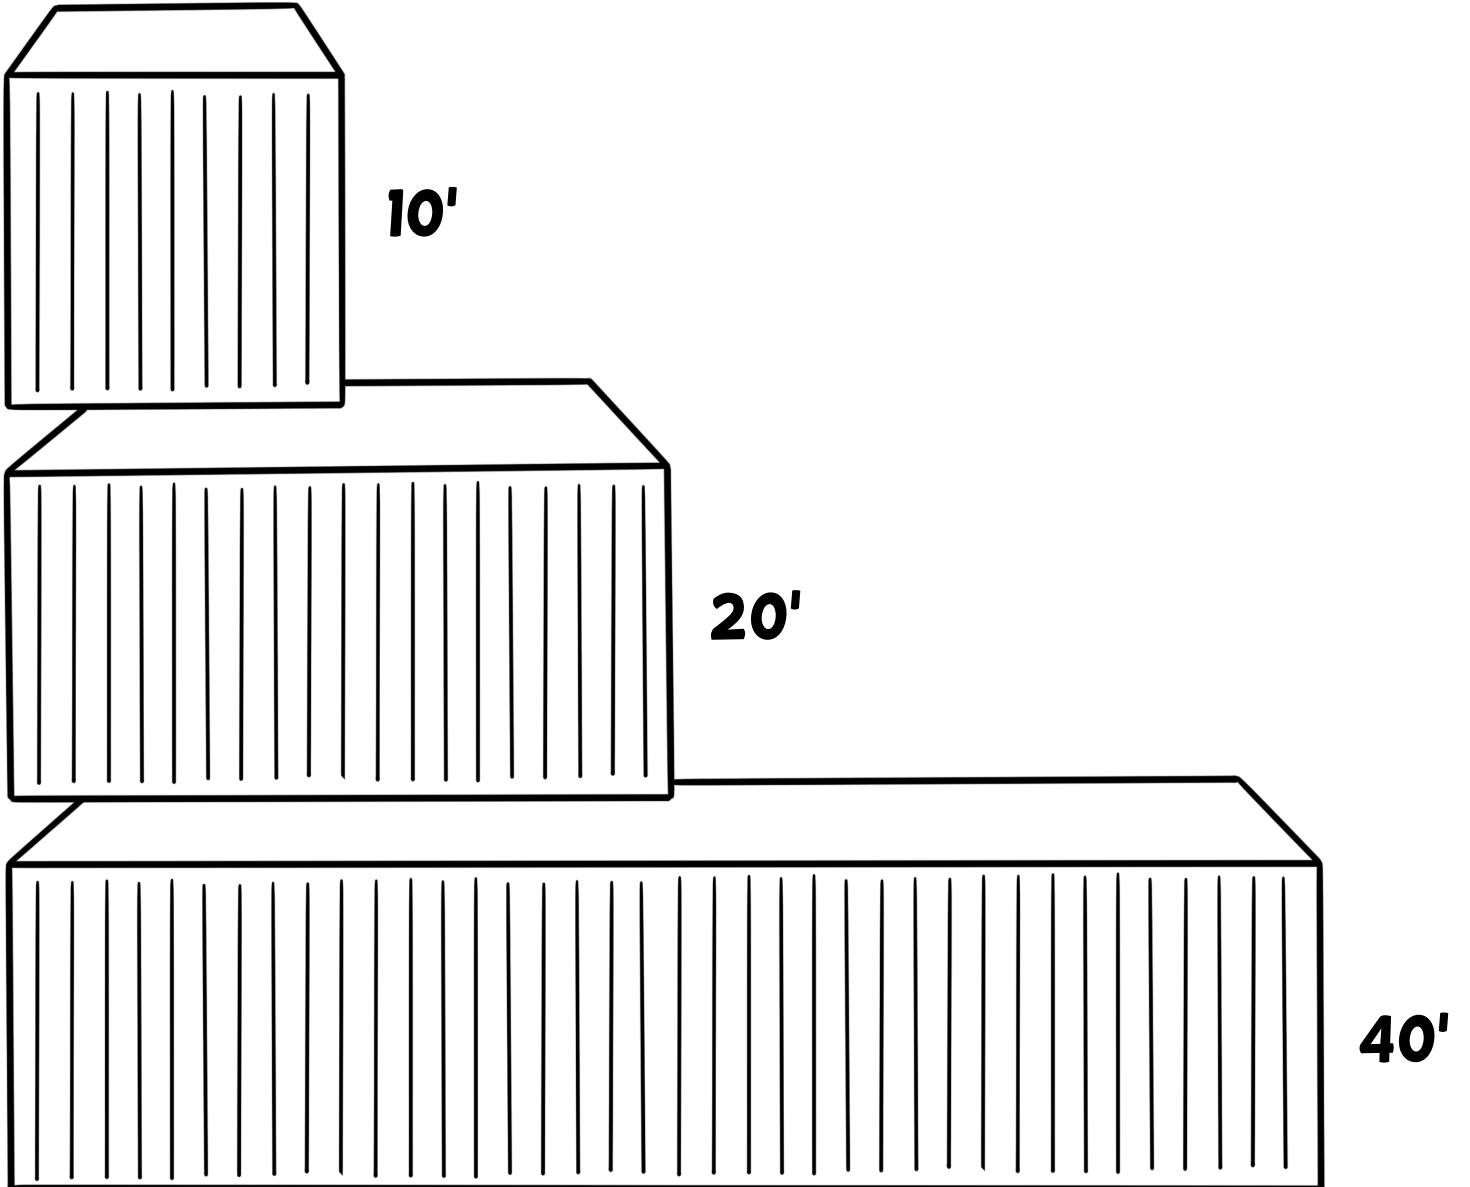

Hello!

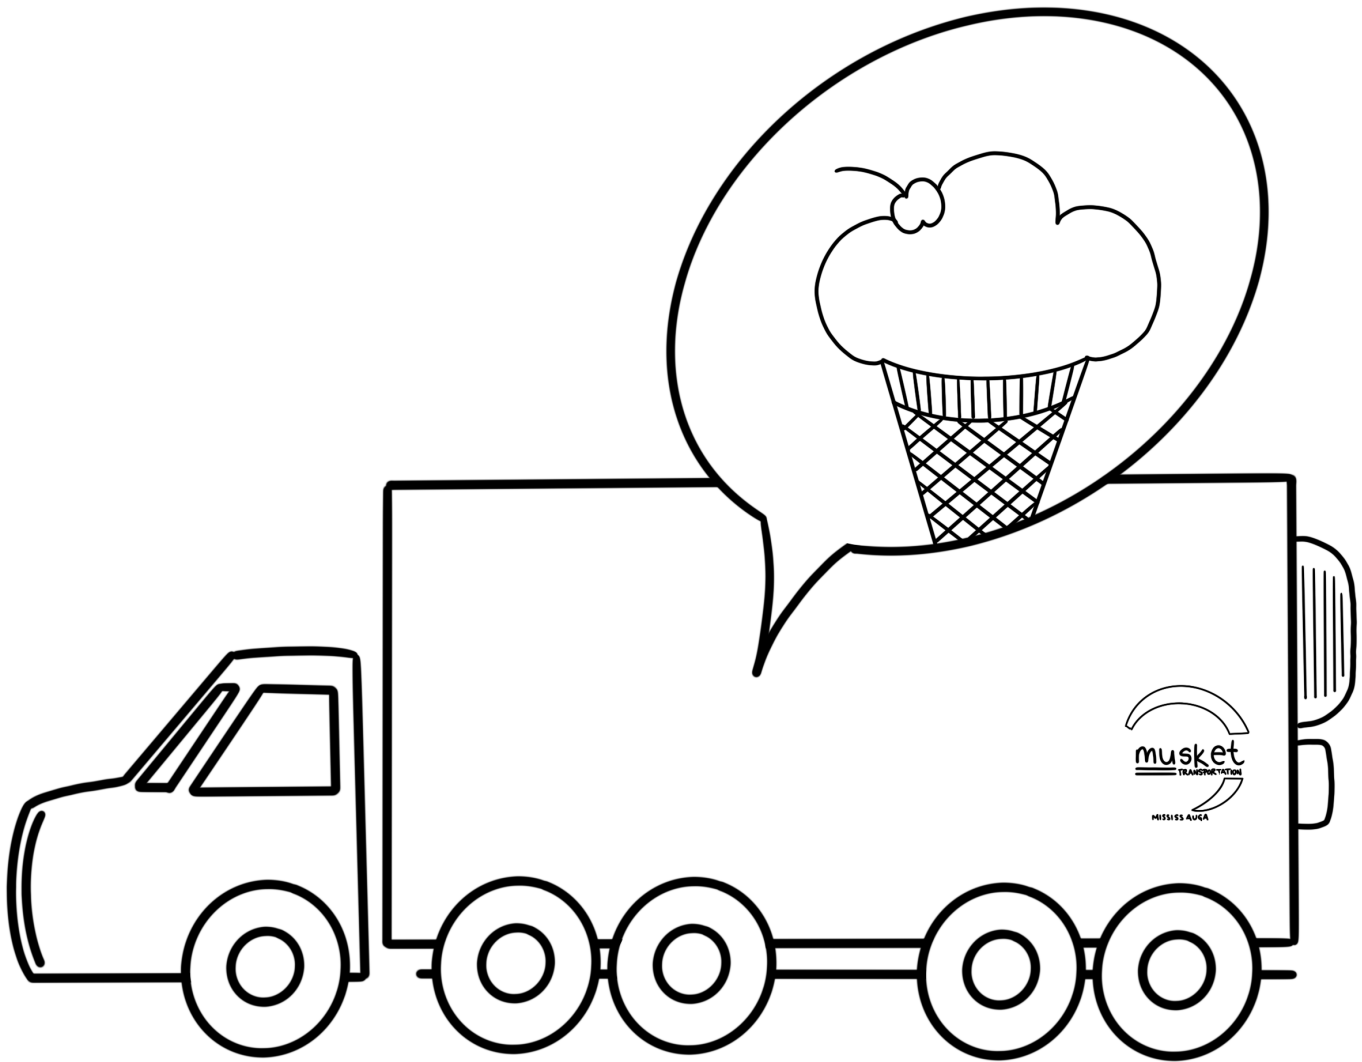

We pull trailers,

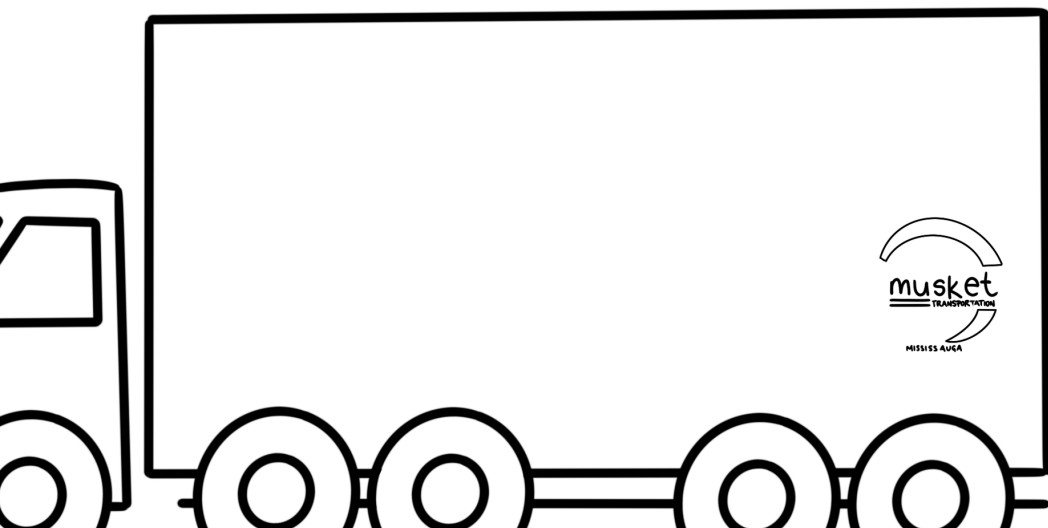

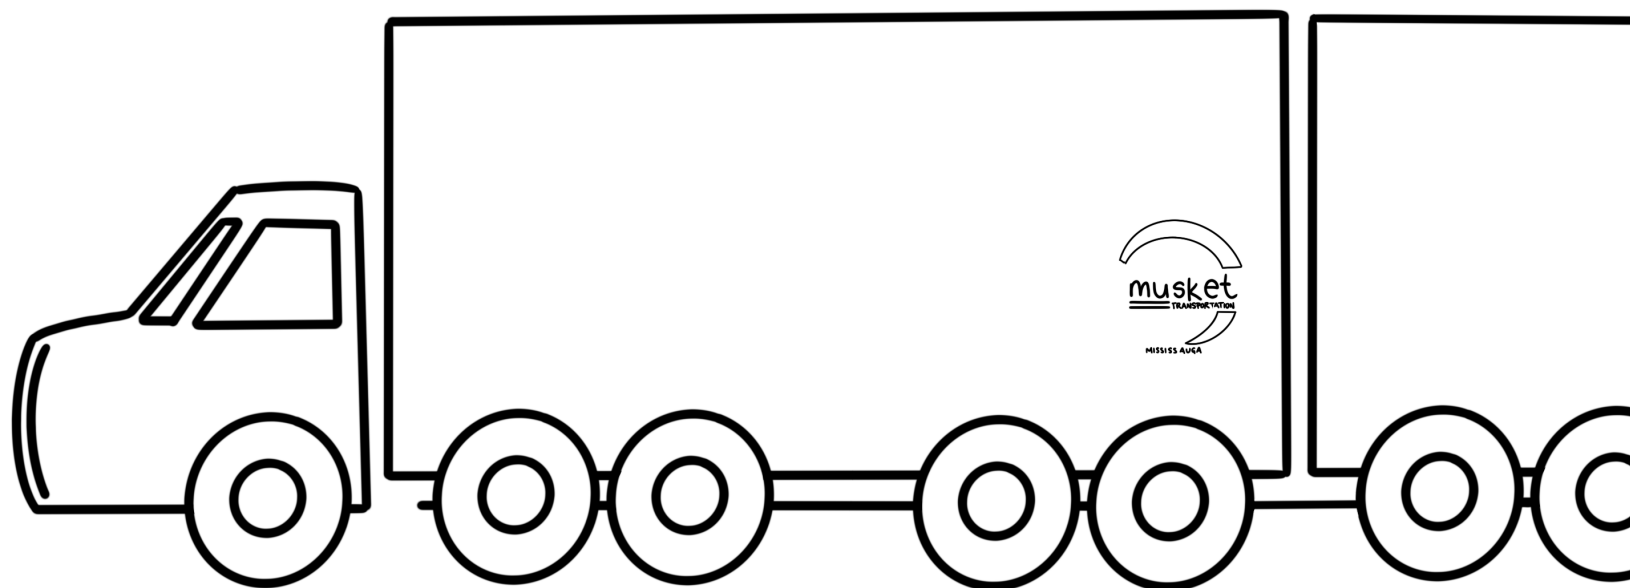

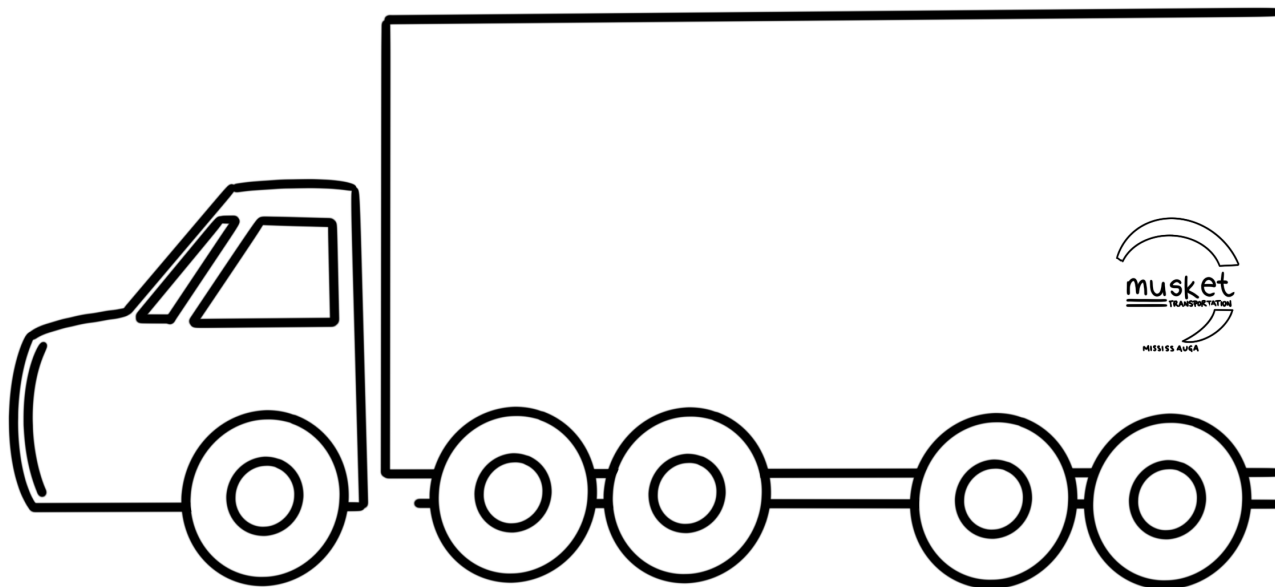

containers,

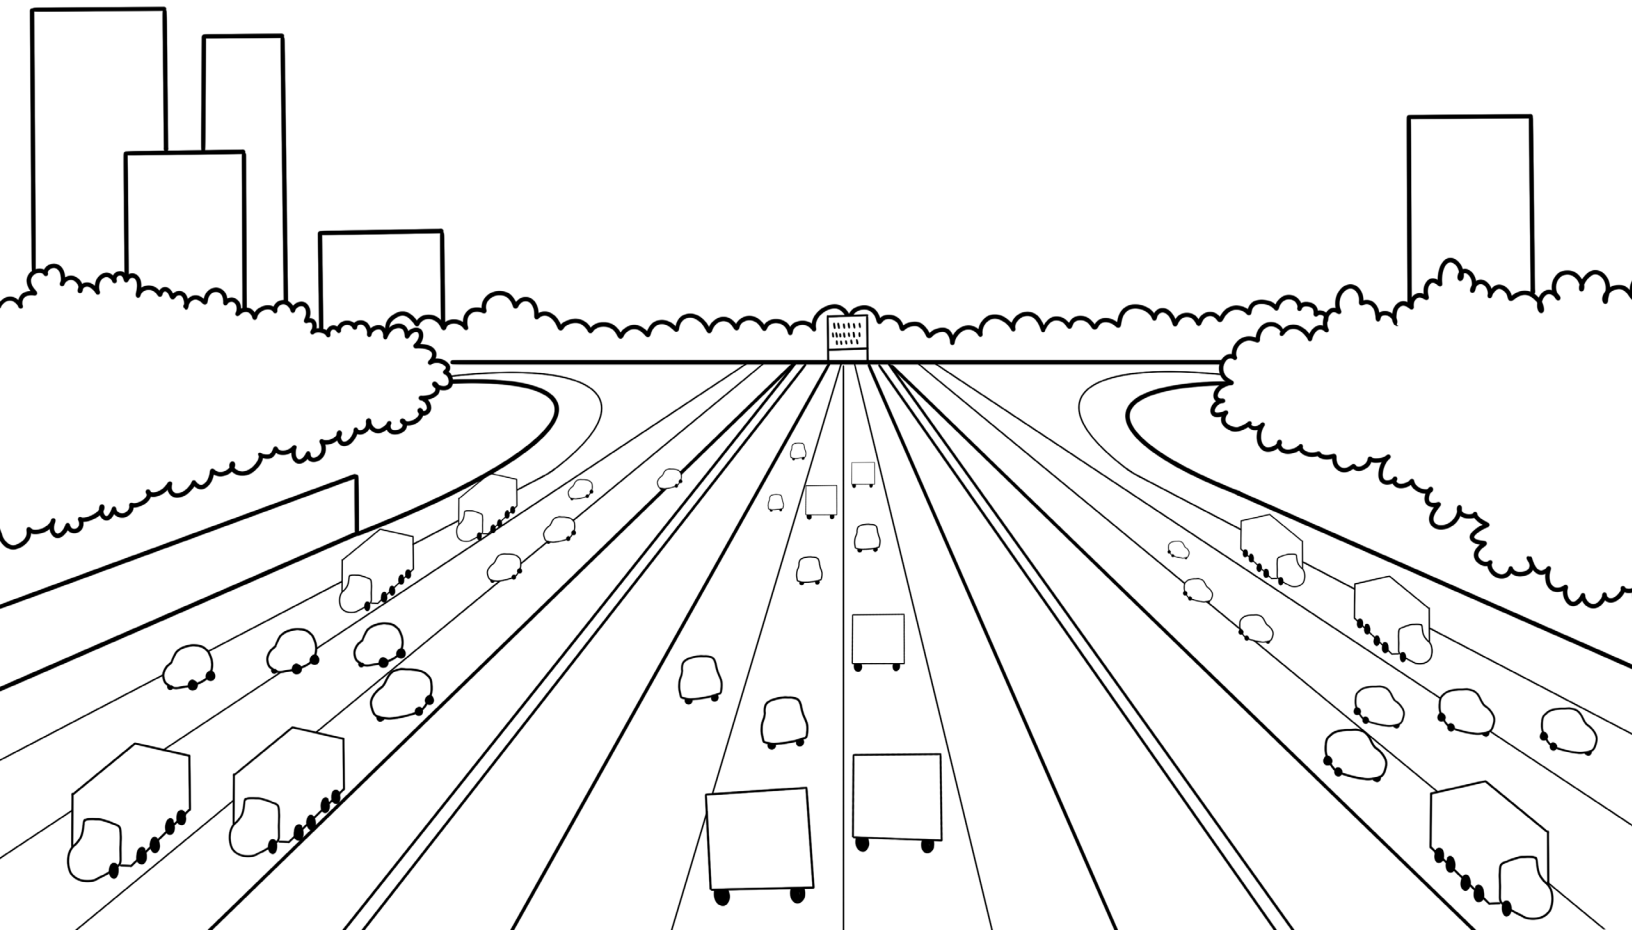

reefers,

and more!

You'll see us on
the highways,

and on the
streets as well.

Wave to us and
point us out.

Vroom vroom...
until we meet
again, farewell!
