

JUSTE À TEMPS !

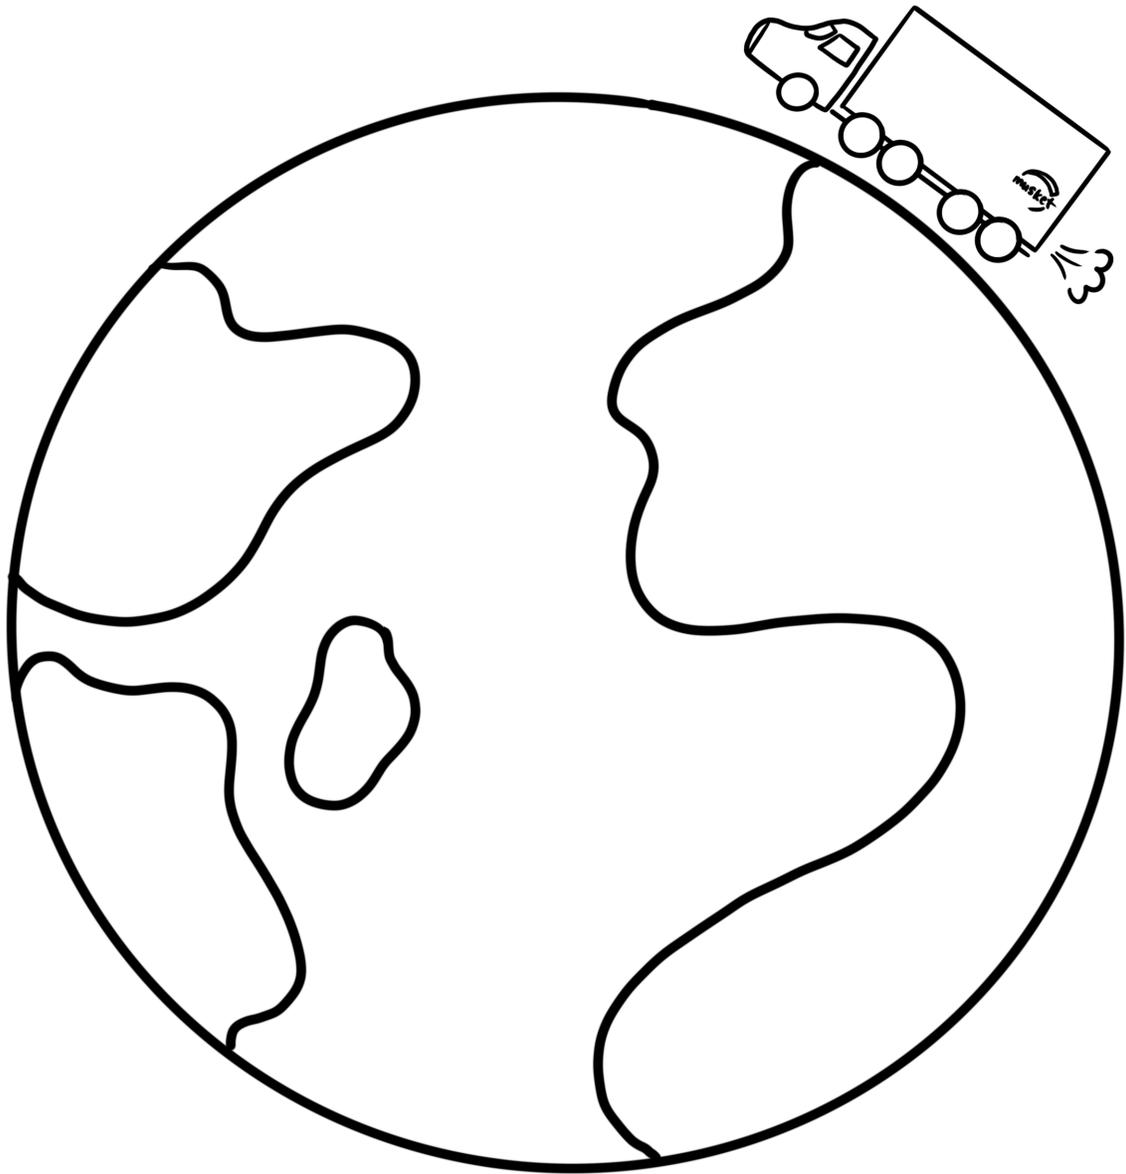

Le transport routier pour les Enfants

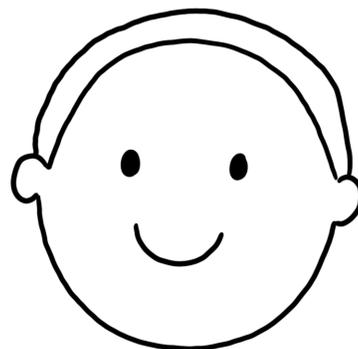

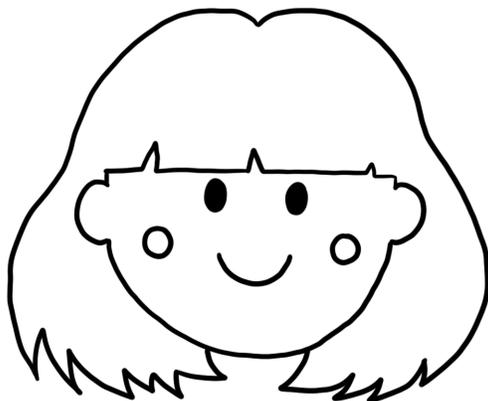

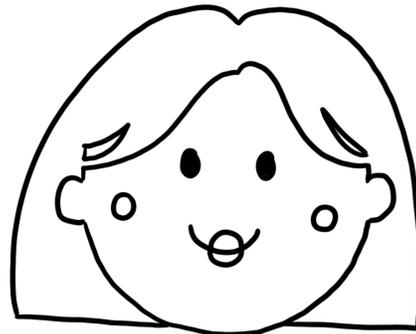

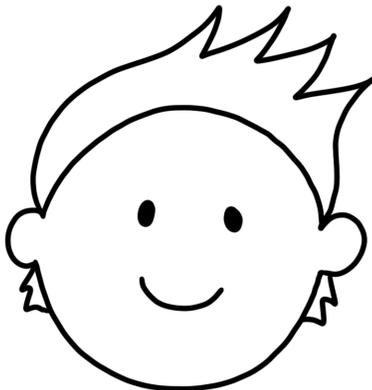

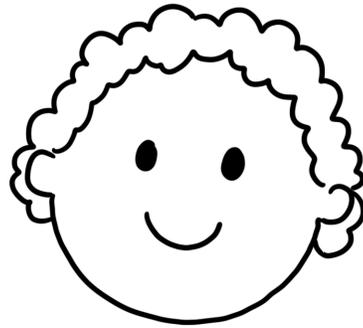

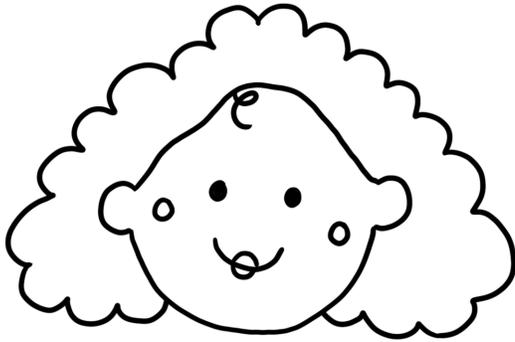

Le livre de coloriage

Le fret doit circuler.

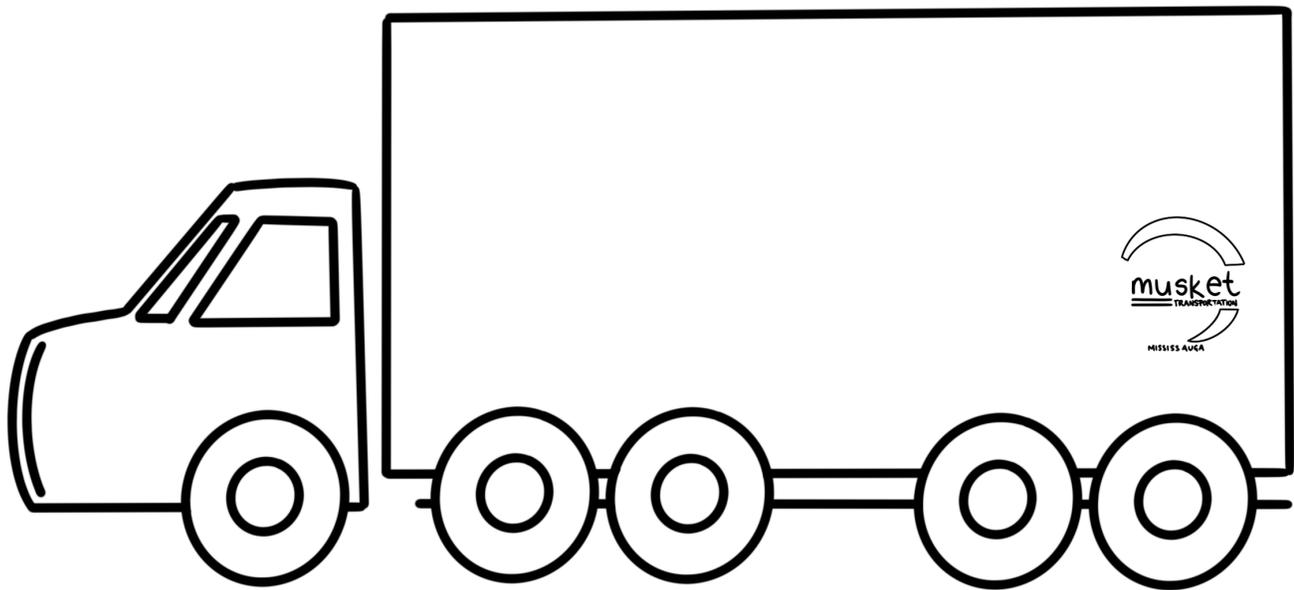

Sans nous il n'aurait
pas où aller !

La planète est
connectée comme
un petit village,

c'est pourtant le
camion qui possède
le plus grand
kilométrage !

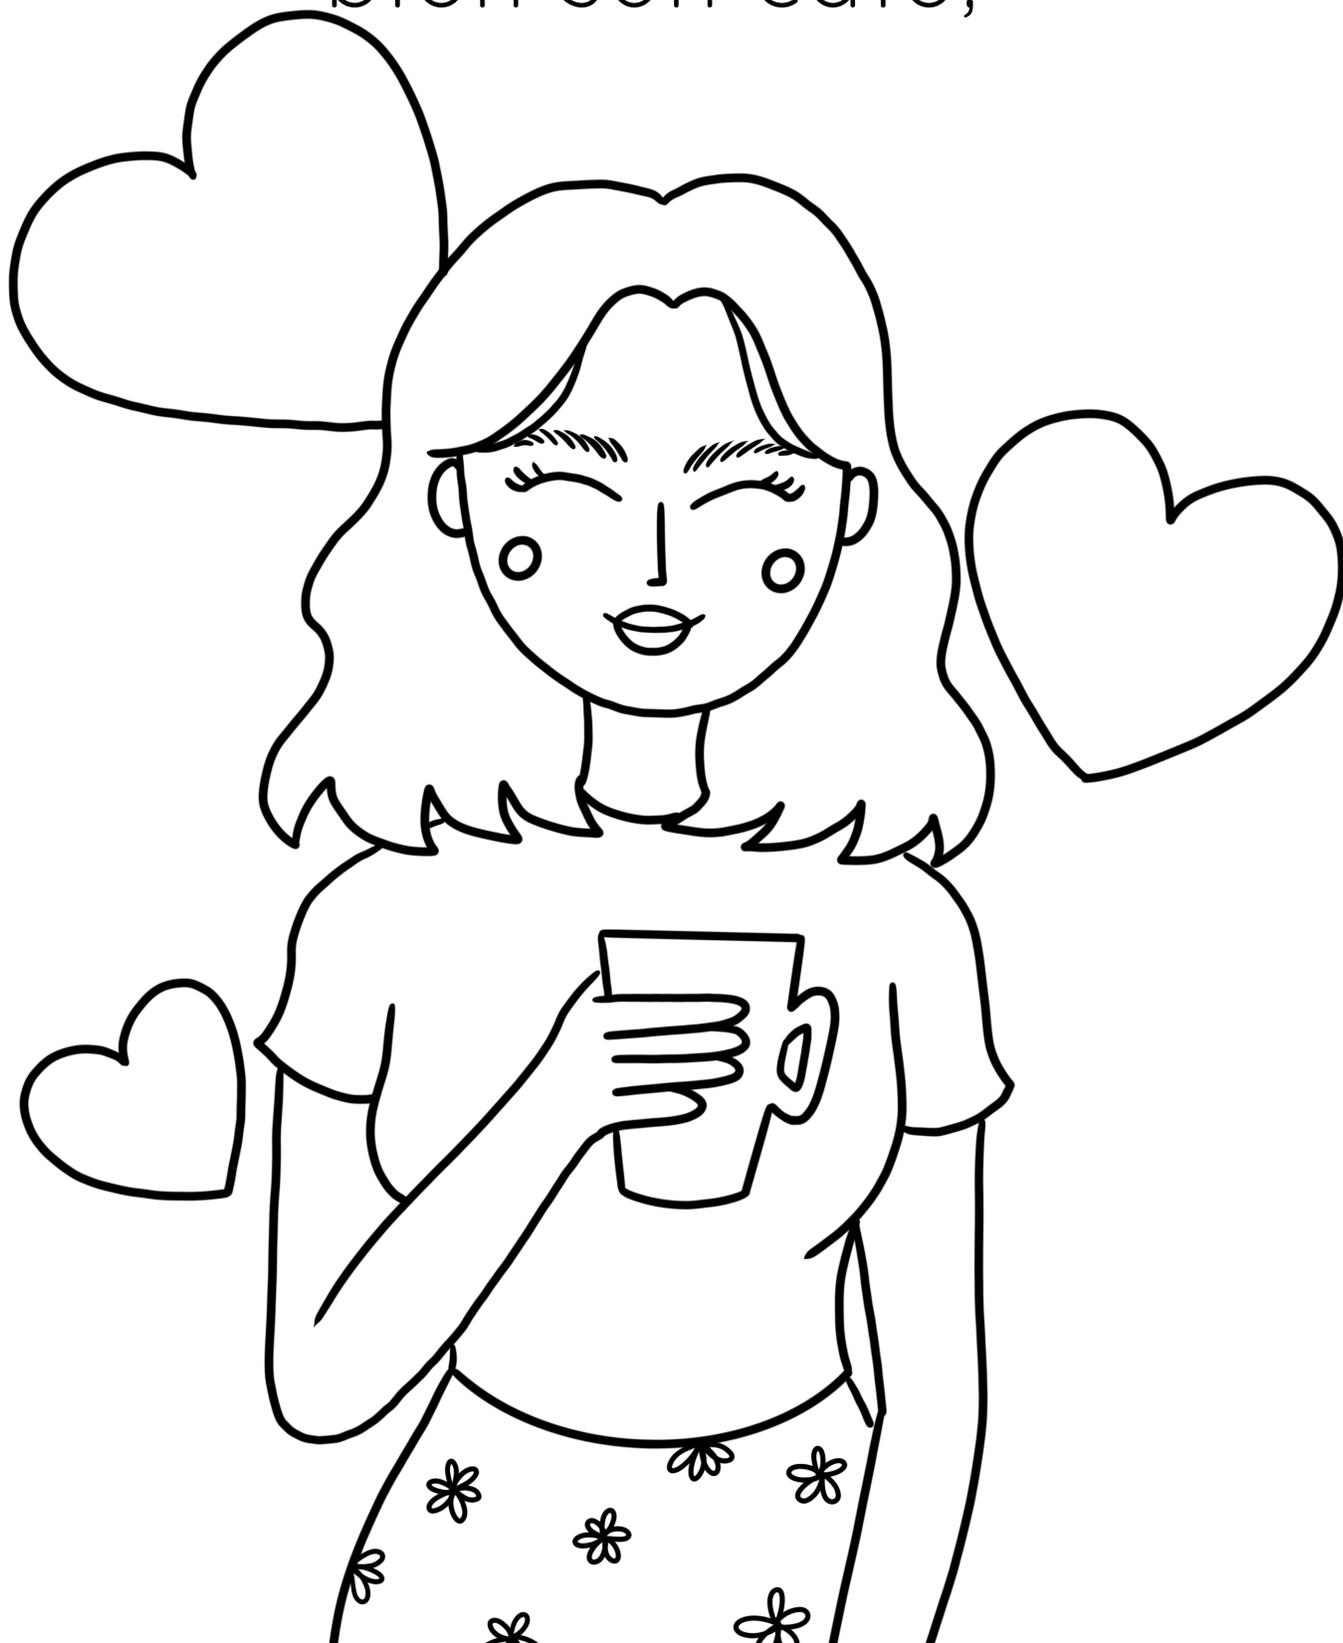

Les conducteurs de
camion nous livrent la
nourriture,

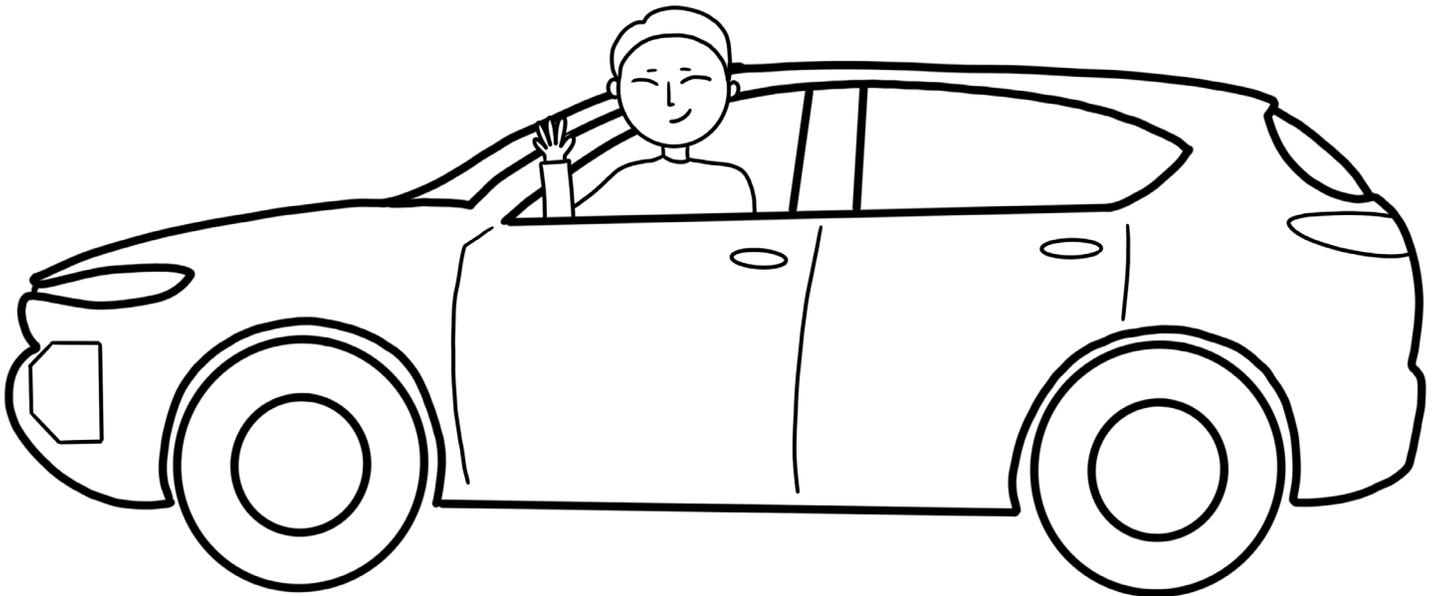

et remplissent nos
maisons.

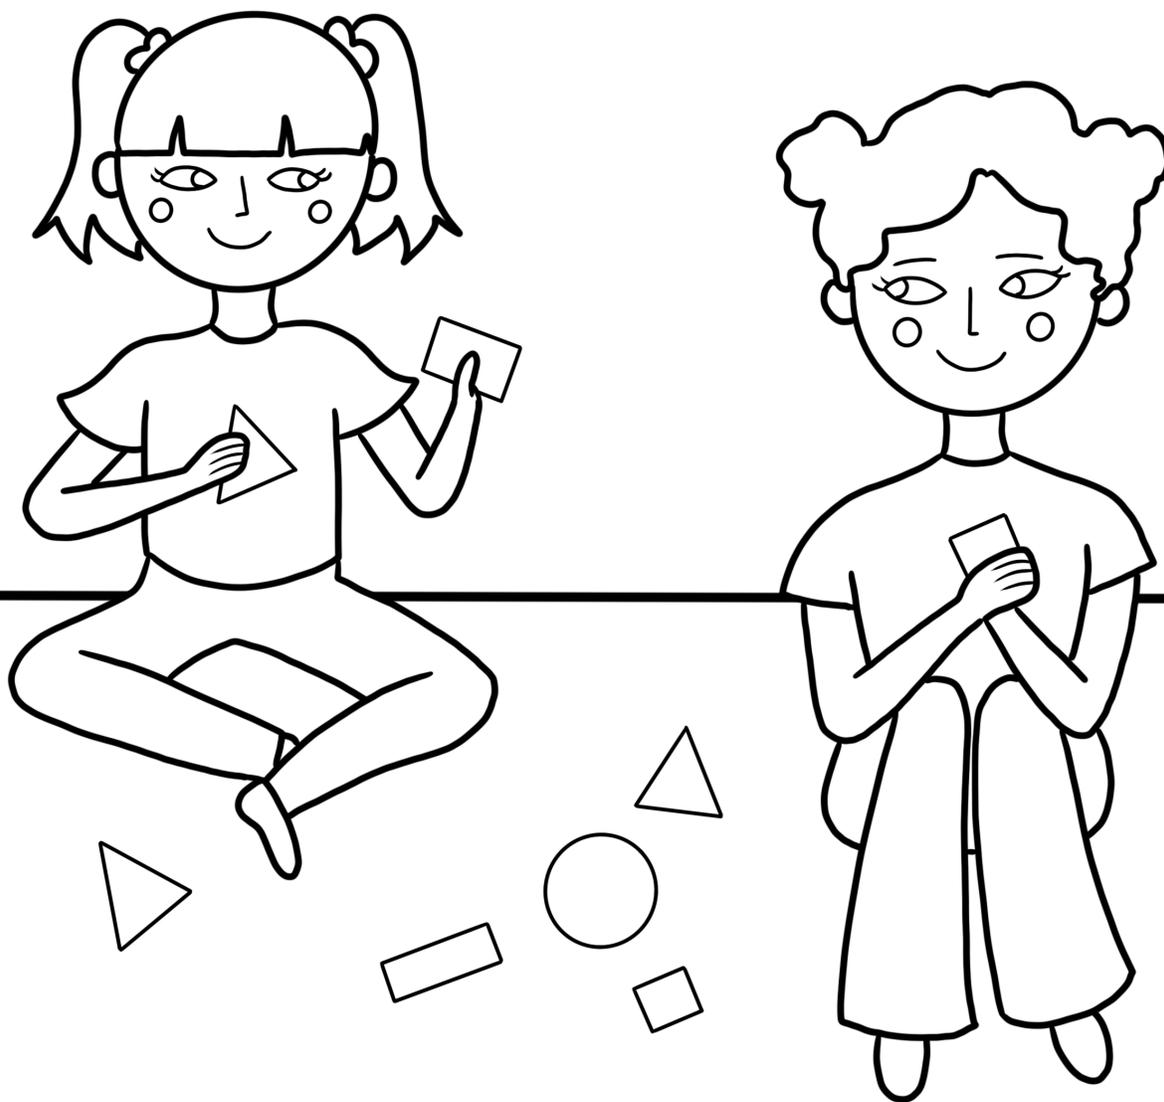

Les conducteurs
s'assurent que maman a
bien son café,

et papa sa voiture en
toute sécurité.

Ils livrent vos jouets et
ceux de vos ami(e)s,

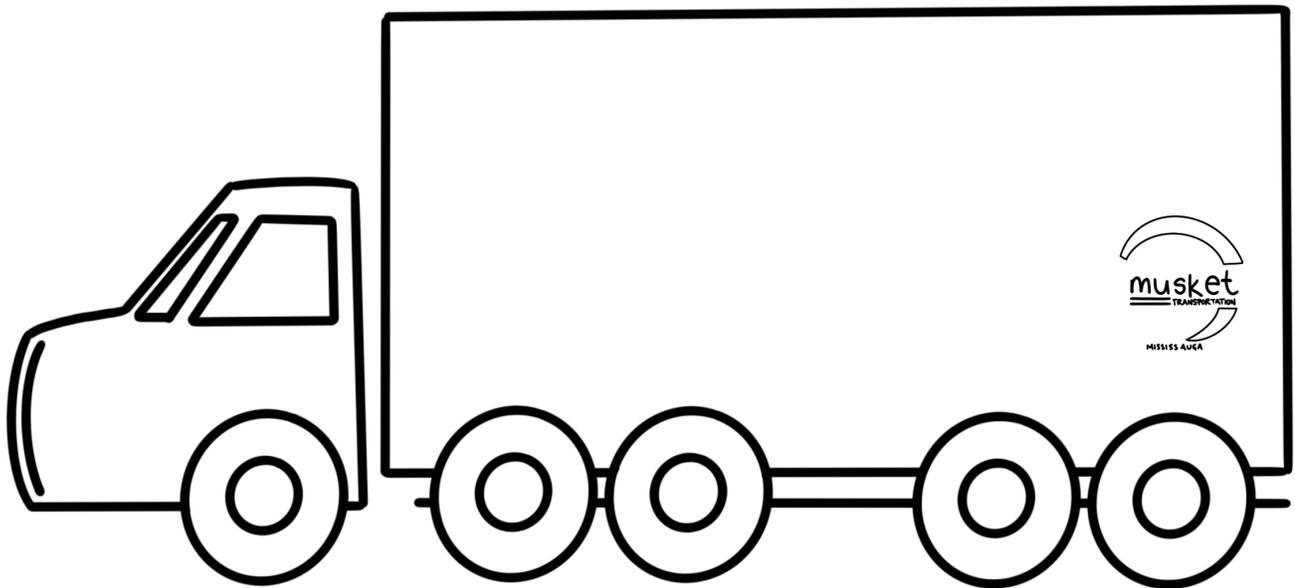

et les médicaments pour
vos papis et mamies.

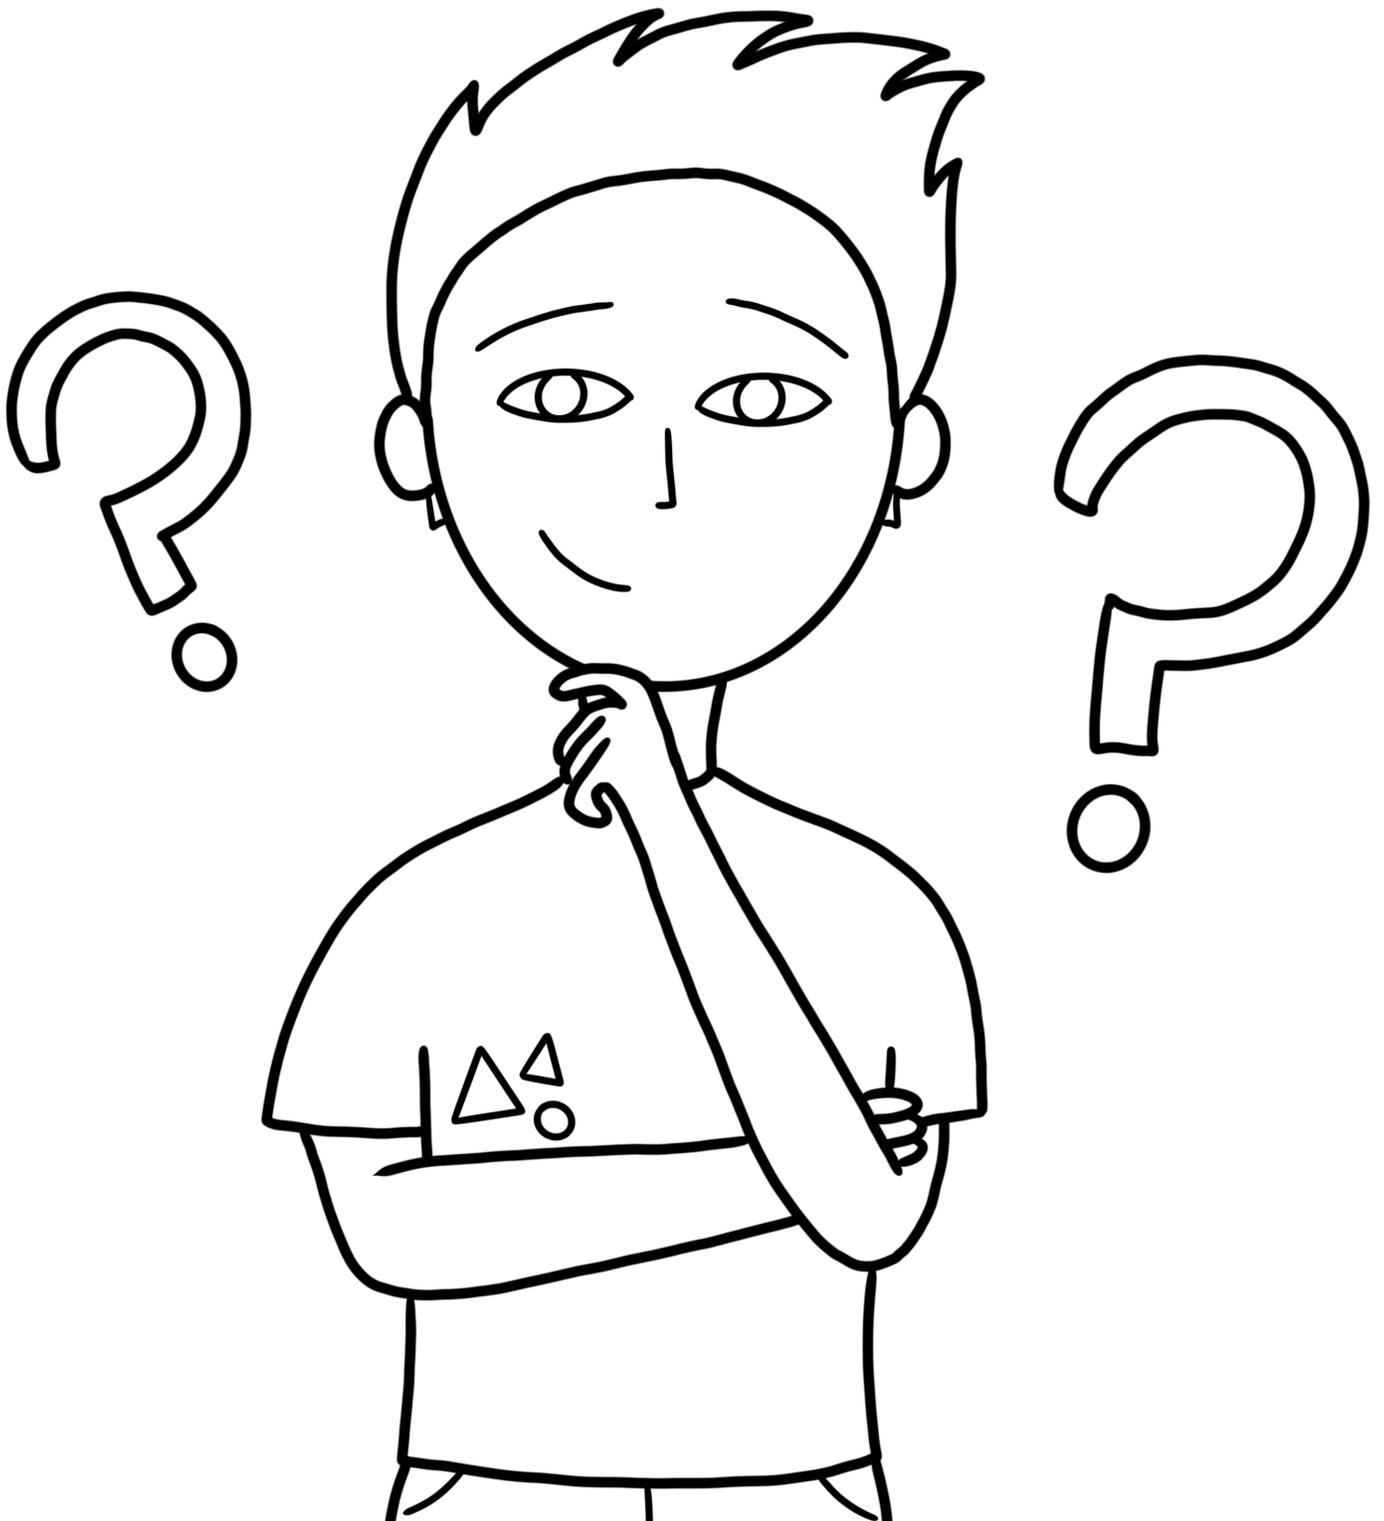

Tout ce que tu vois
autour de toi,

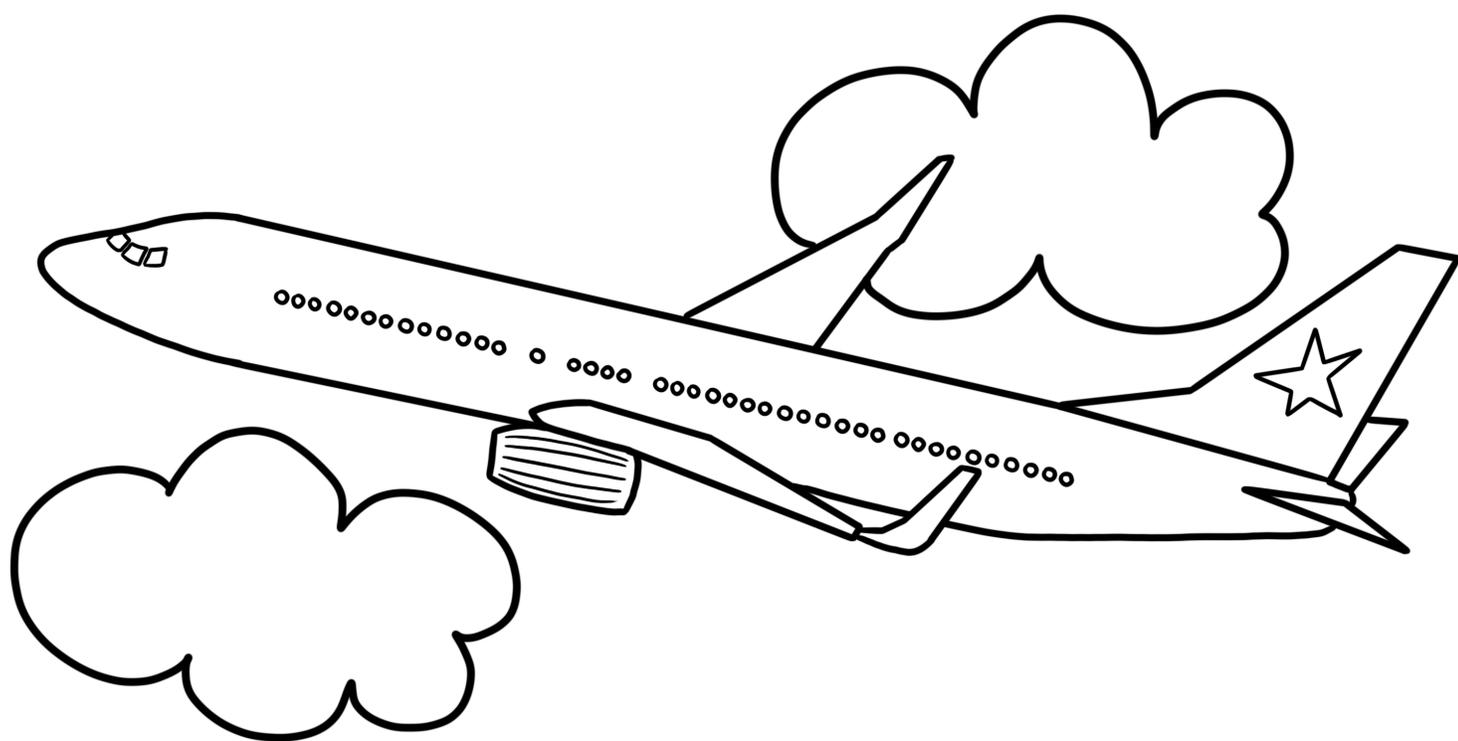

arrive à temps
grâce à moi !

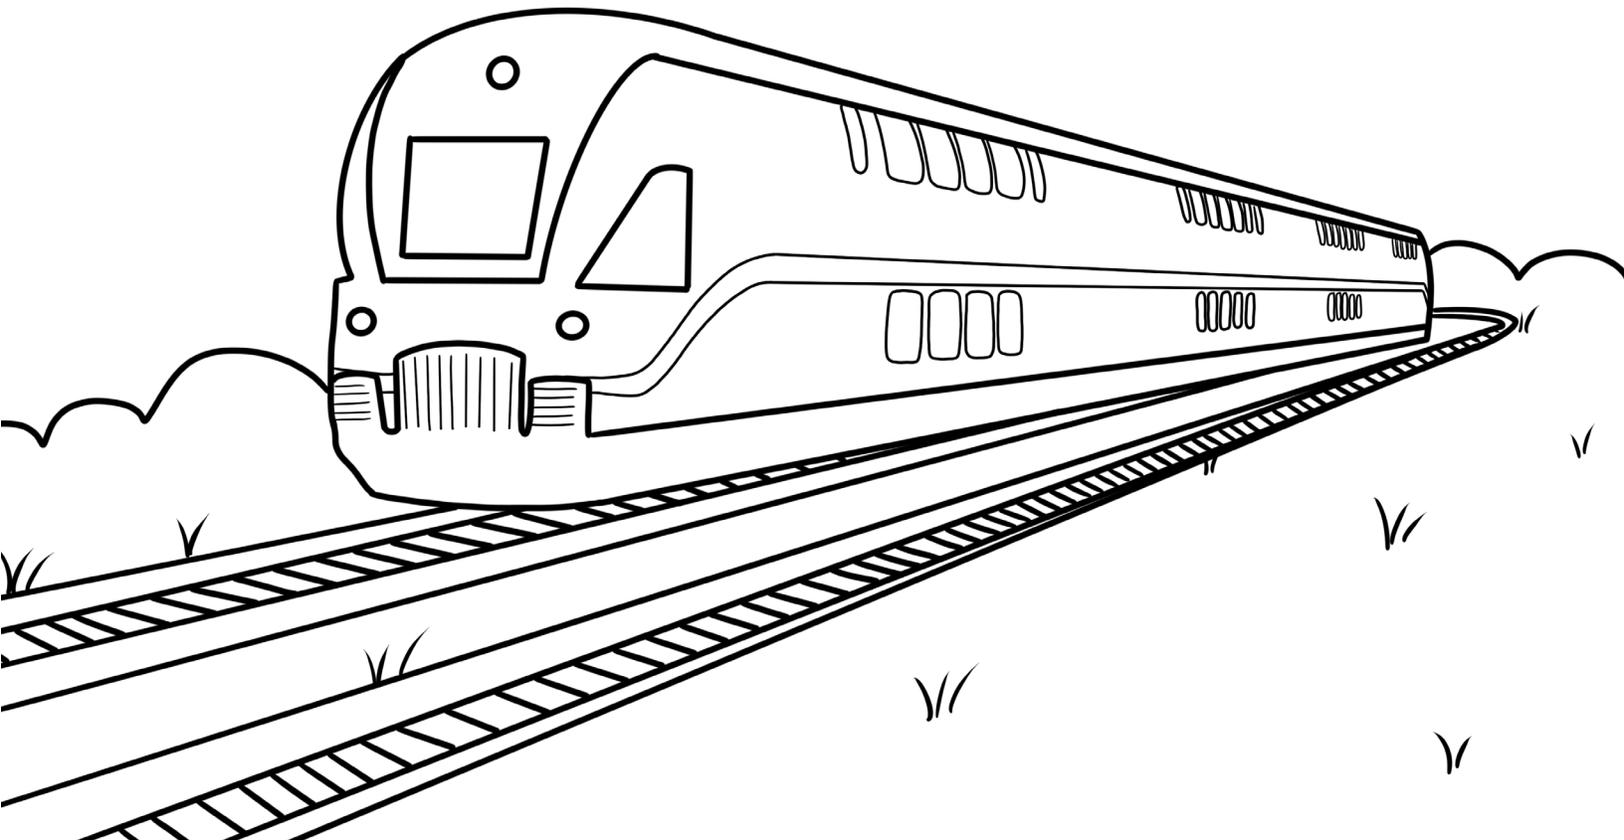

Même si ...

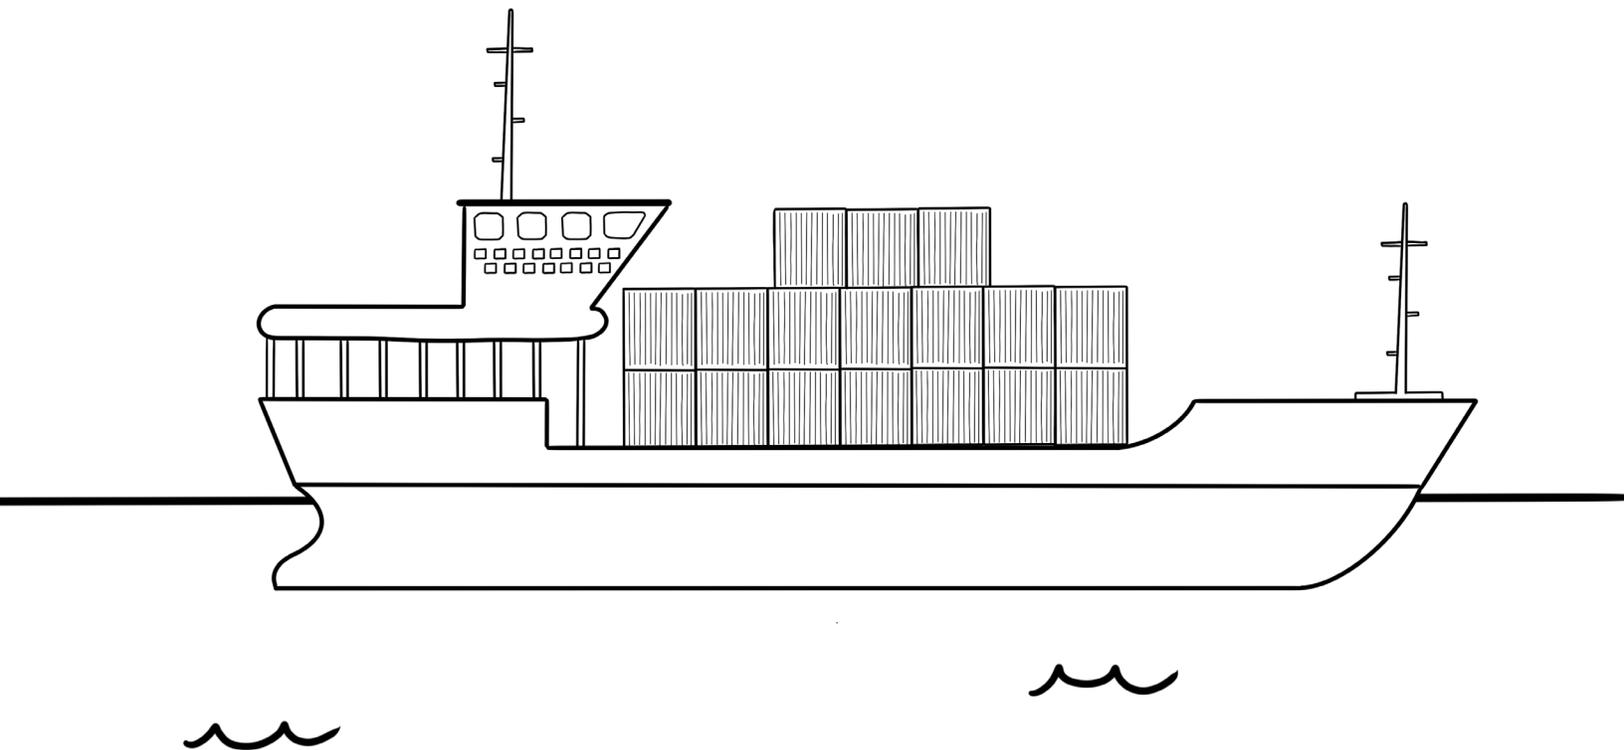

Parfois ça arrive
par avion,

train,

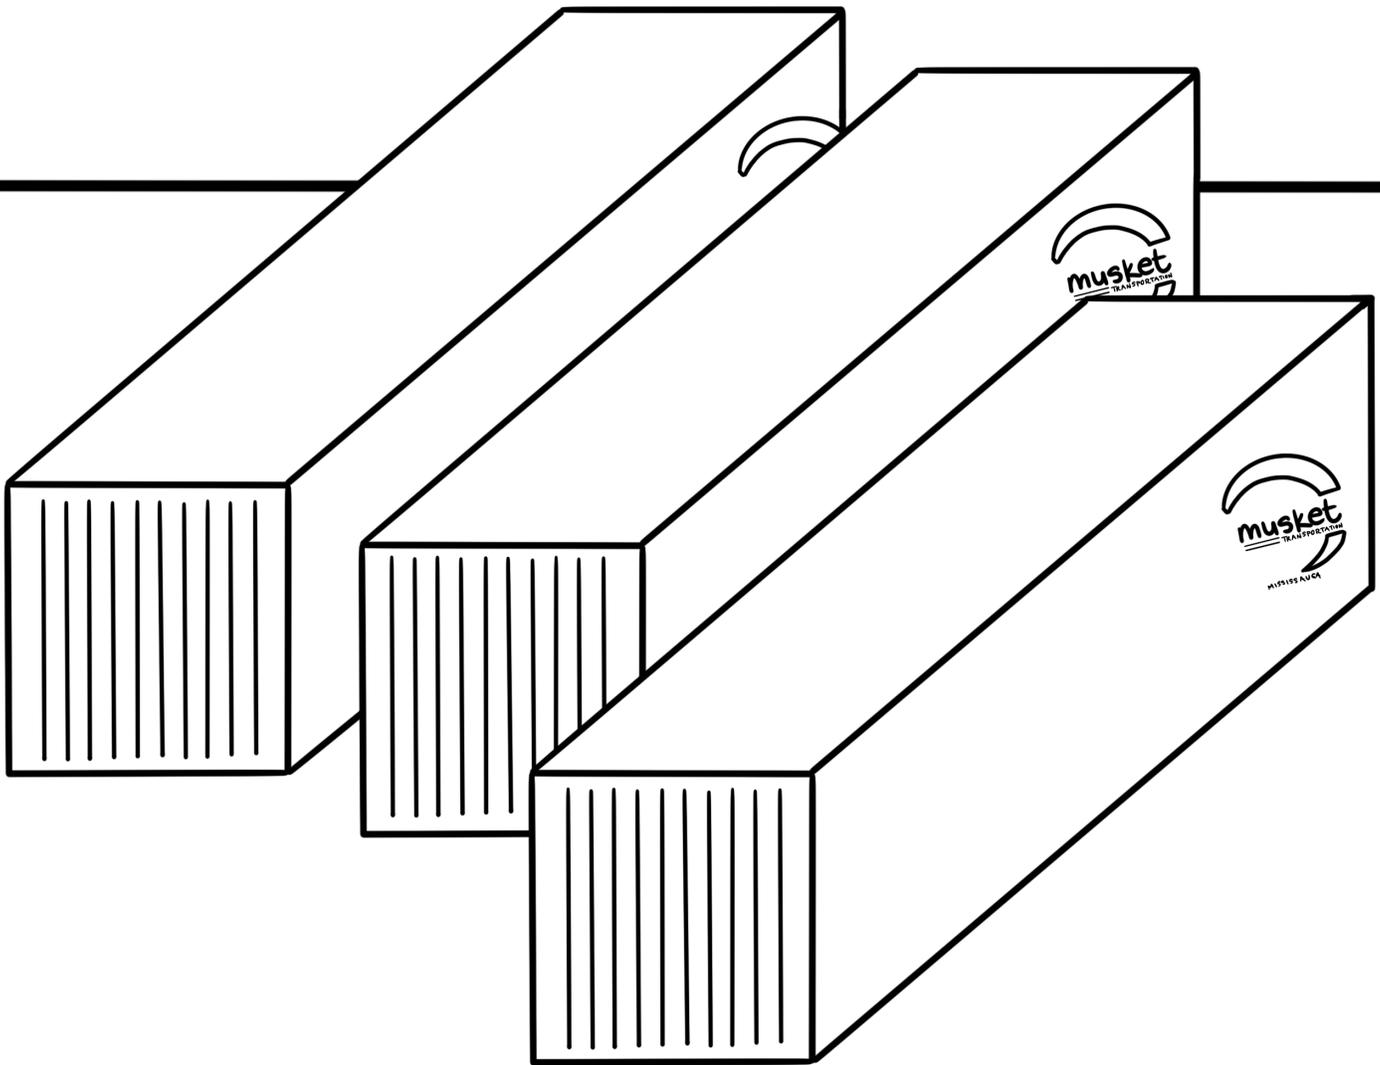

ou
bateau.

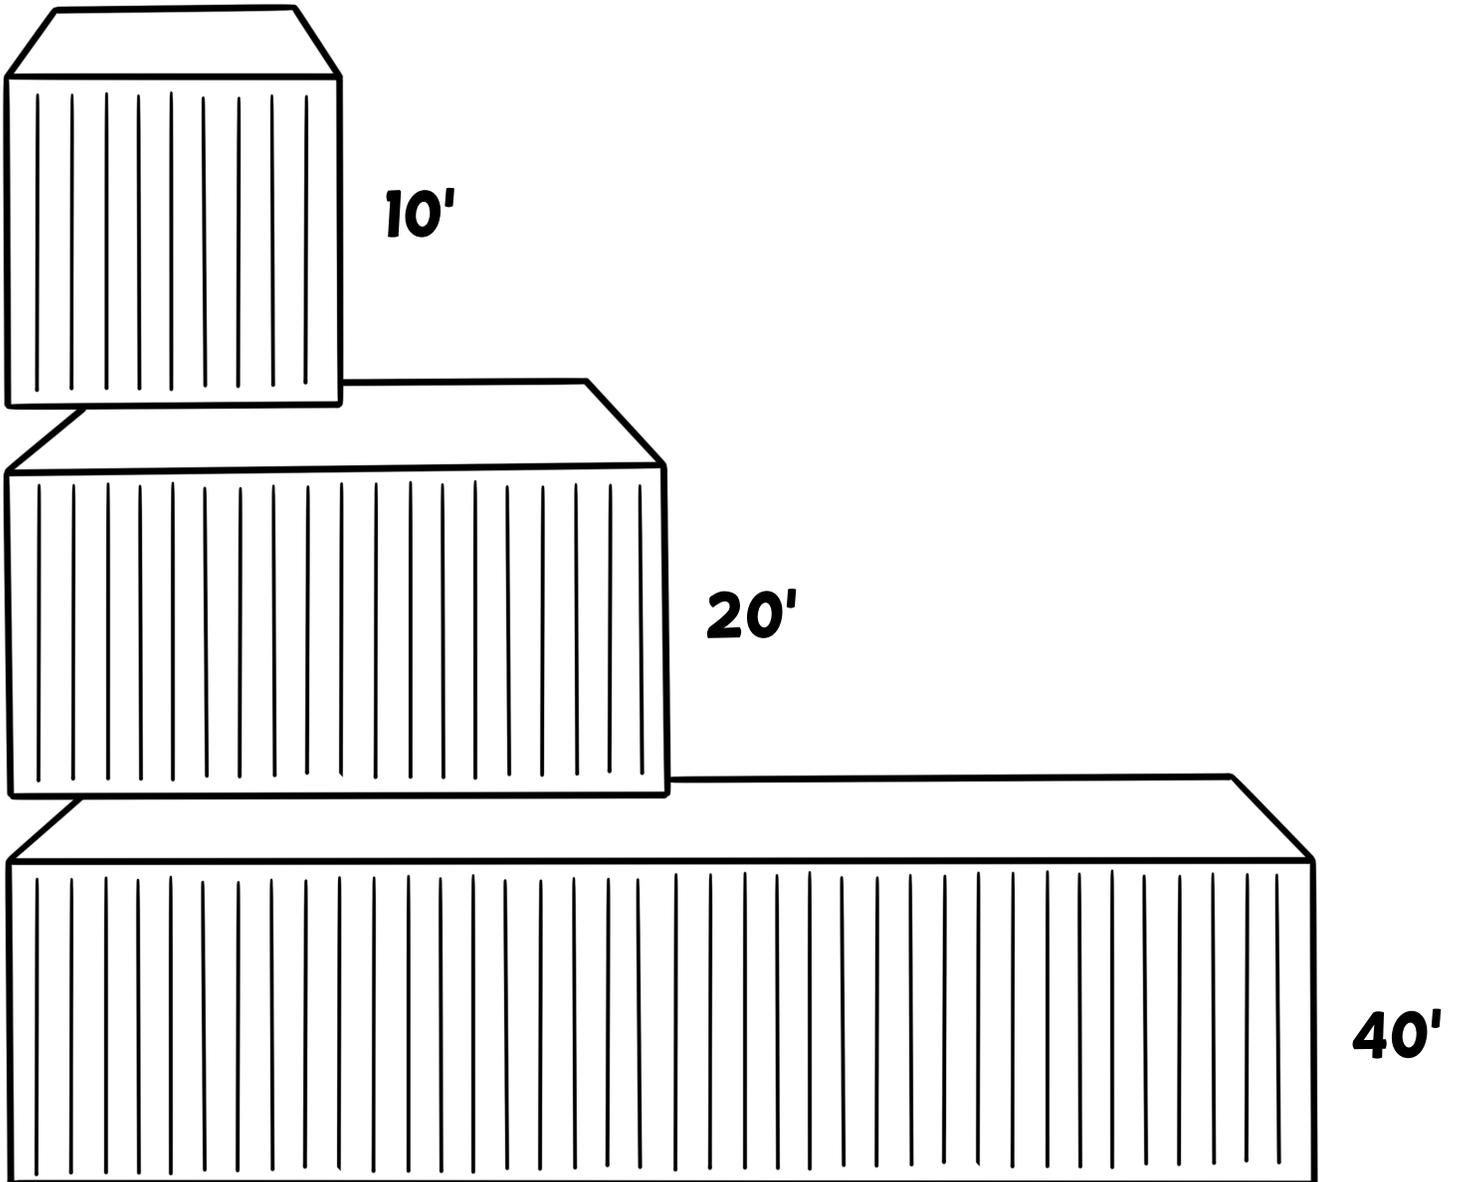

Le trajet final, c'est
toujours moi !

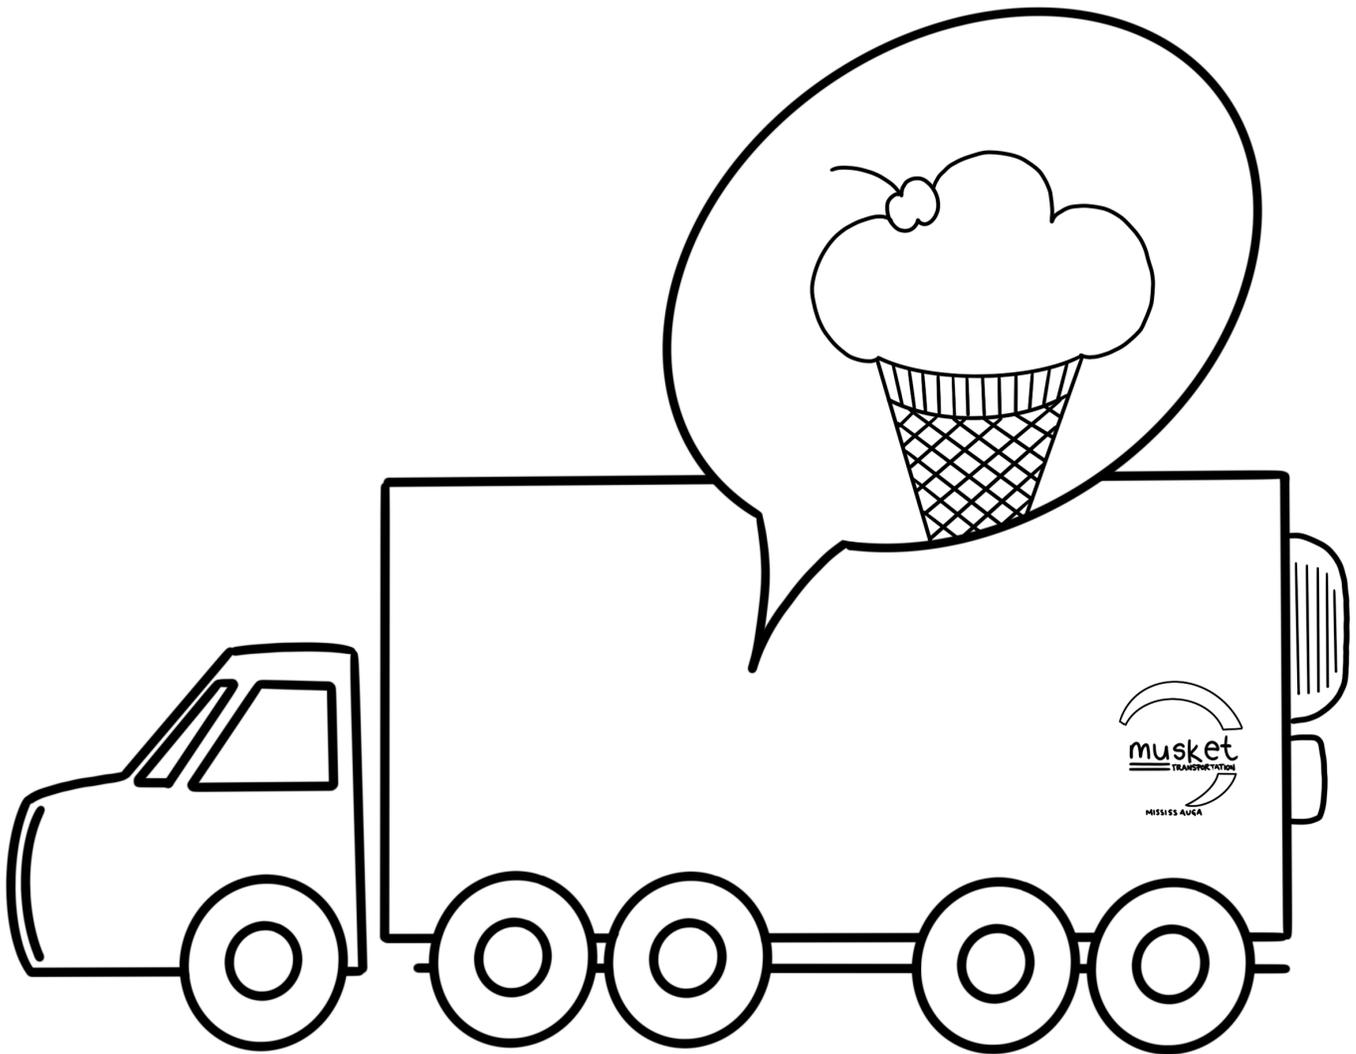

Nous tirons
des remorques,

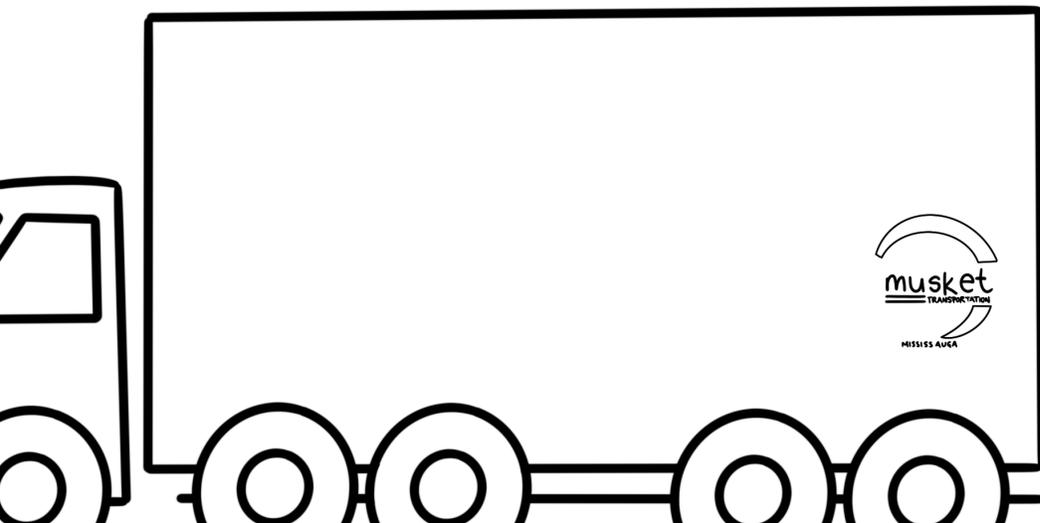

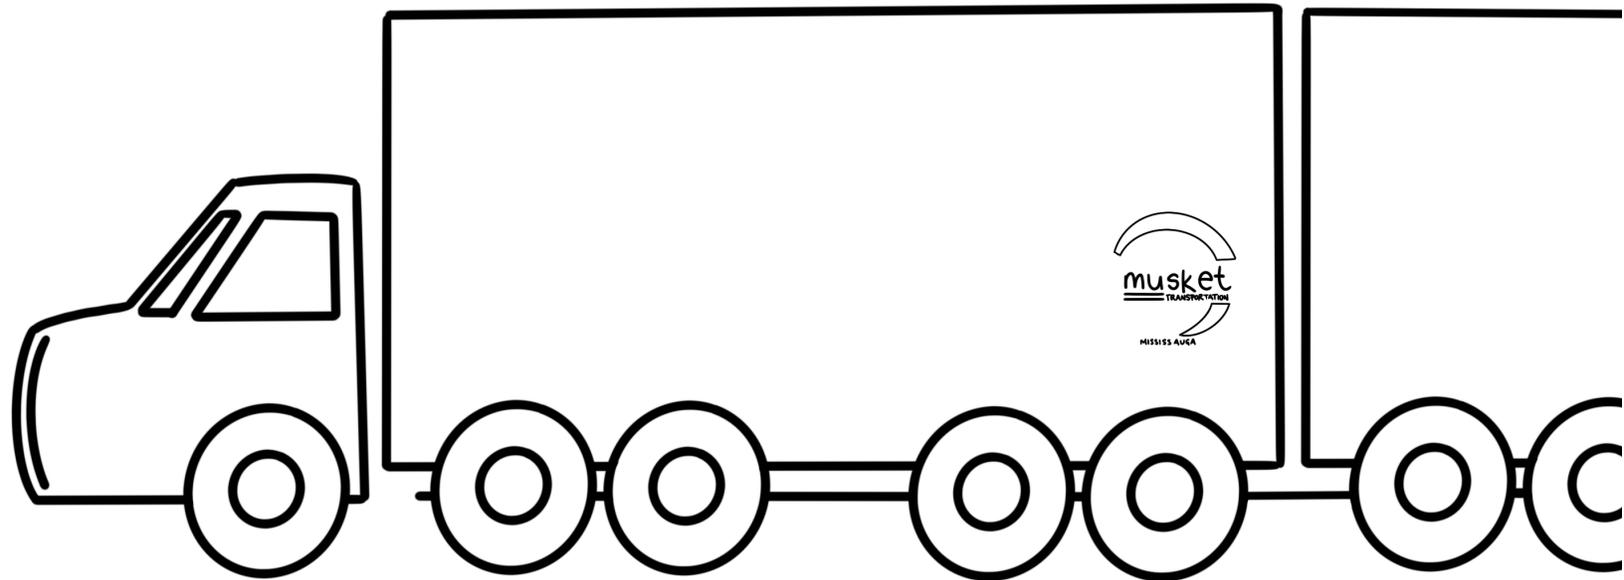

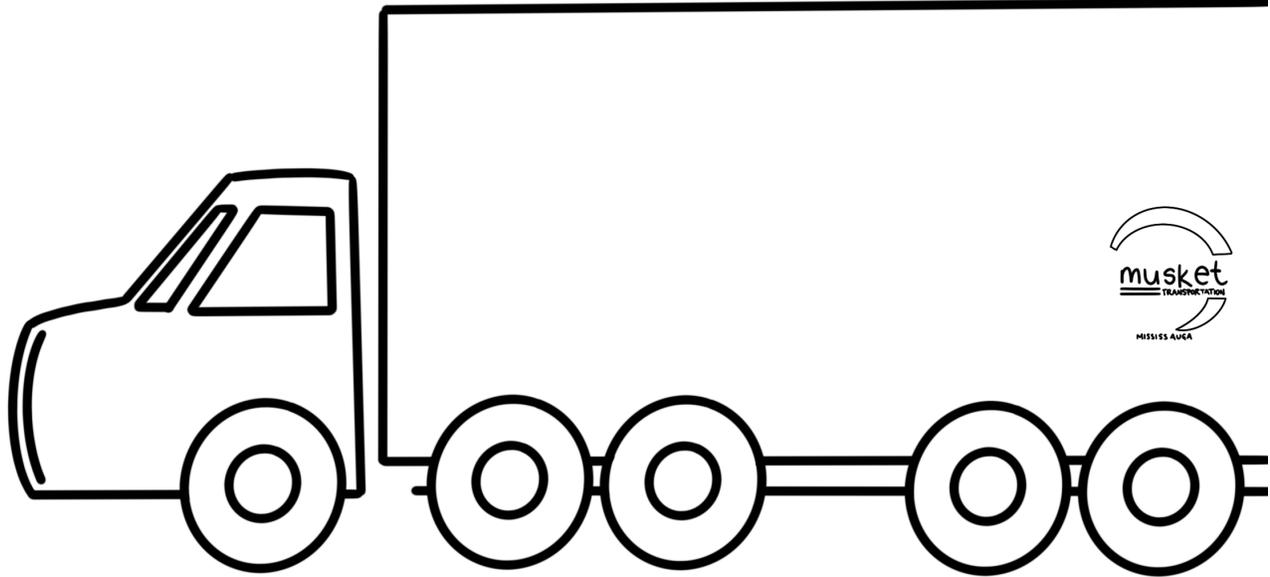

des conteneurs,

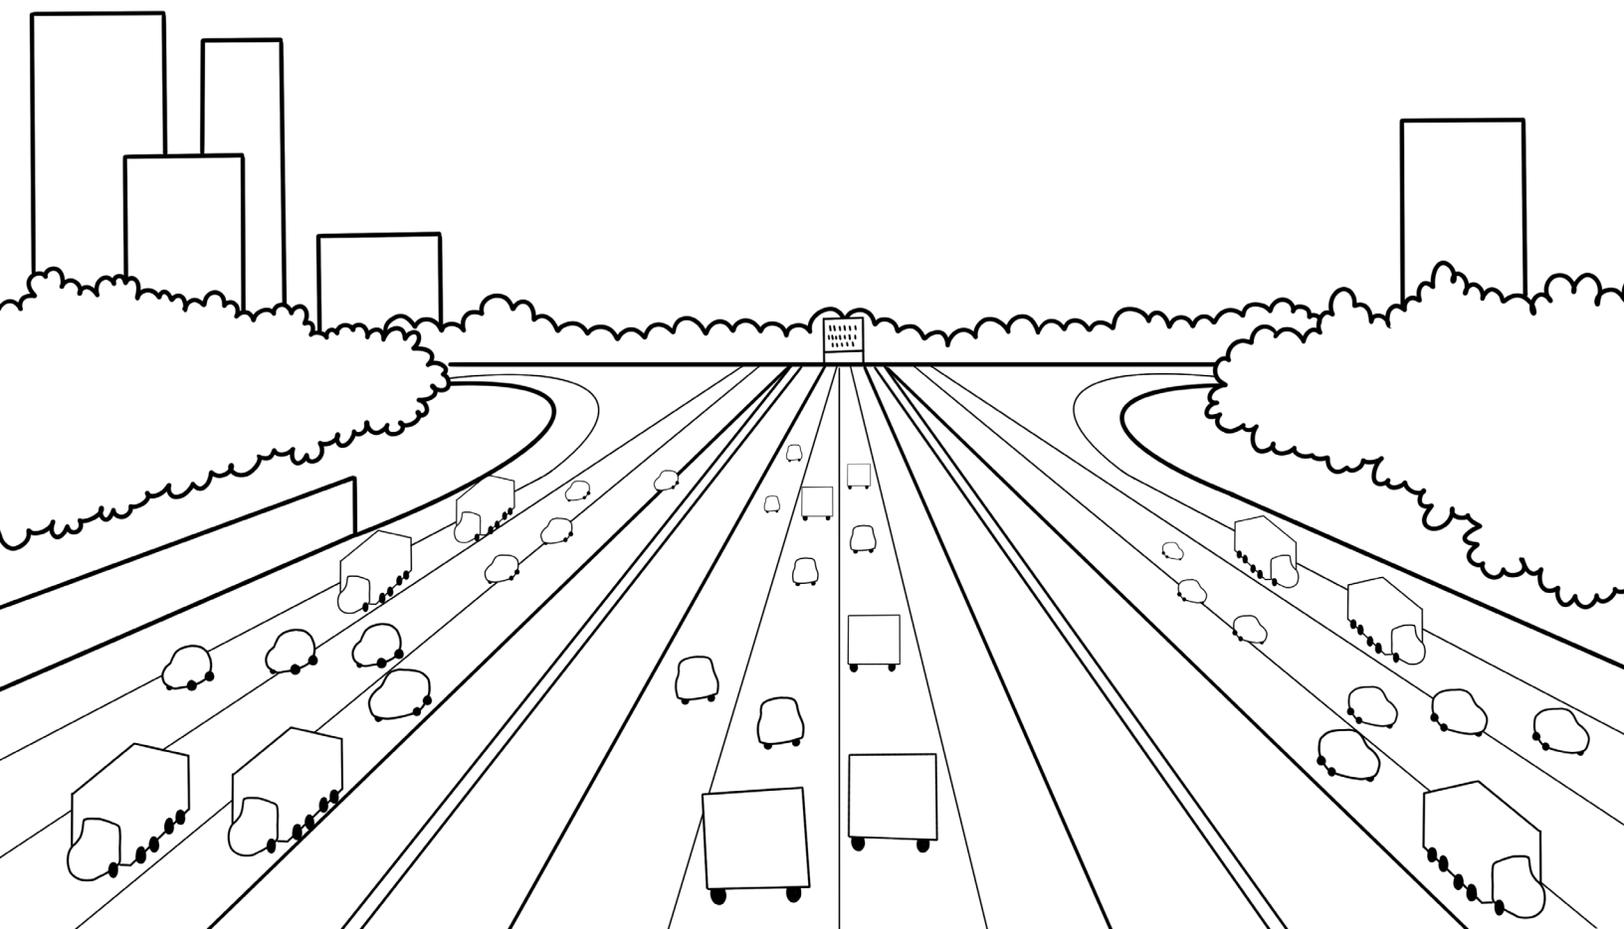

des camions
frigorifiques,

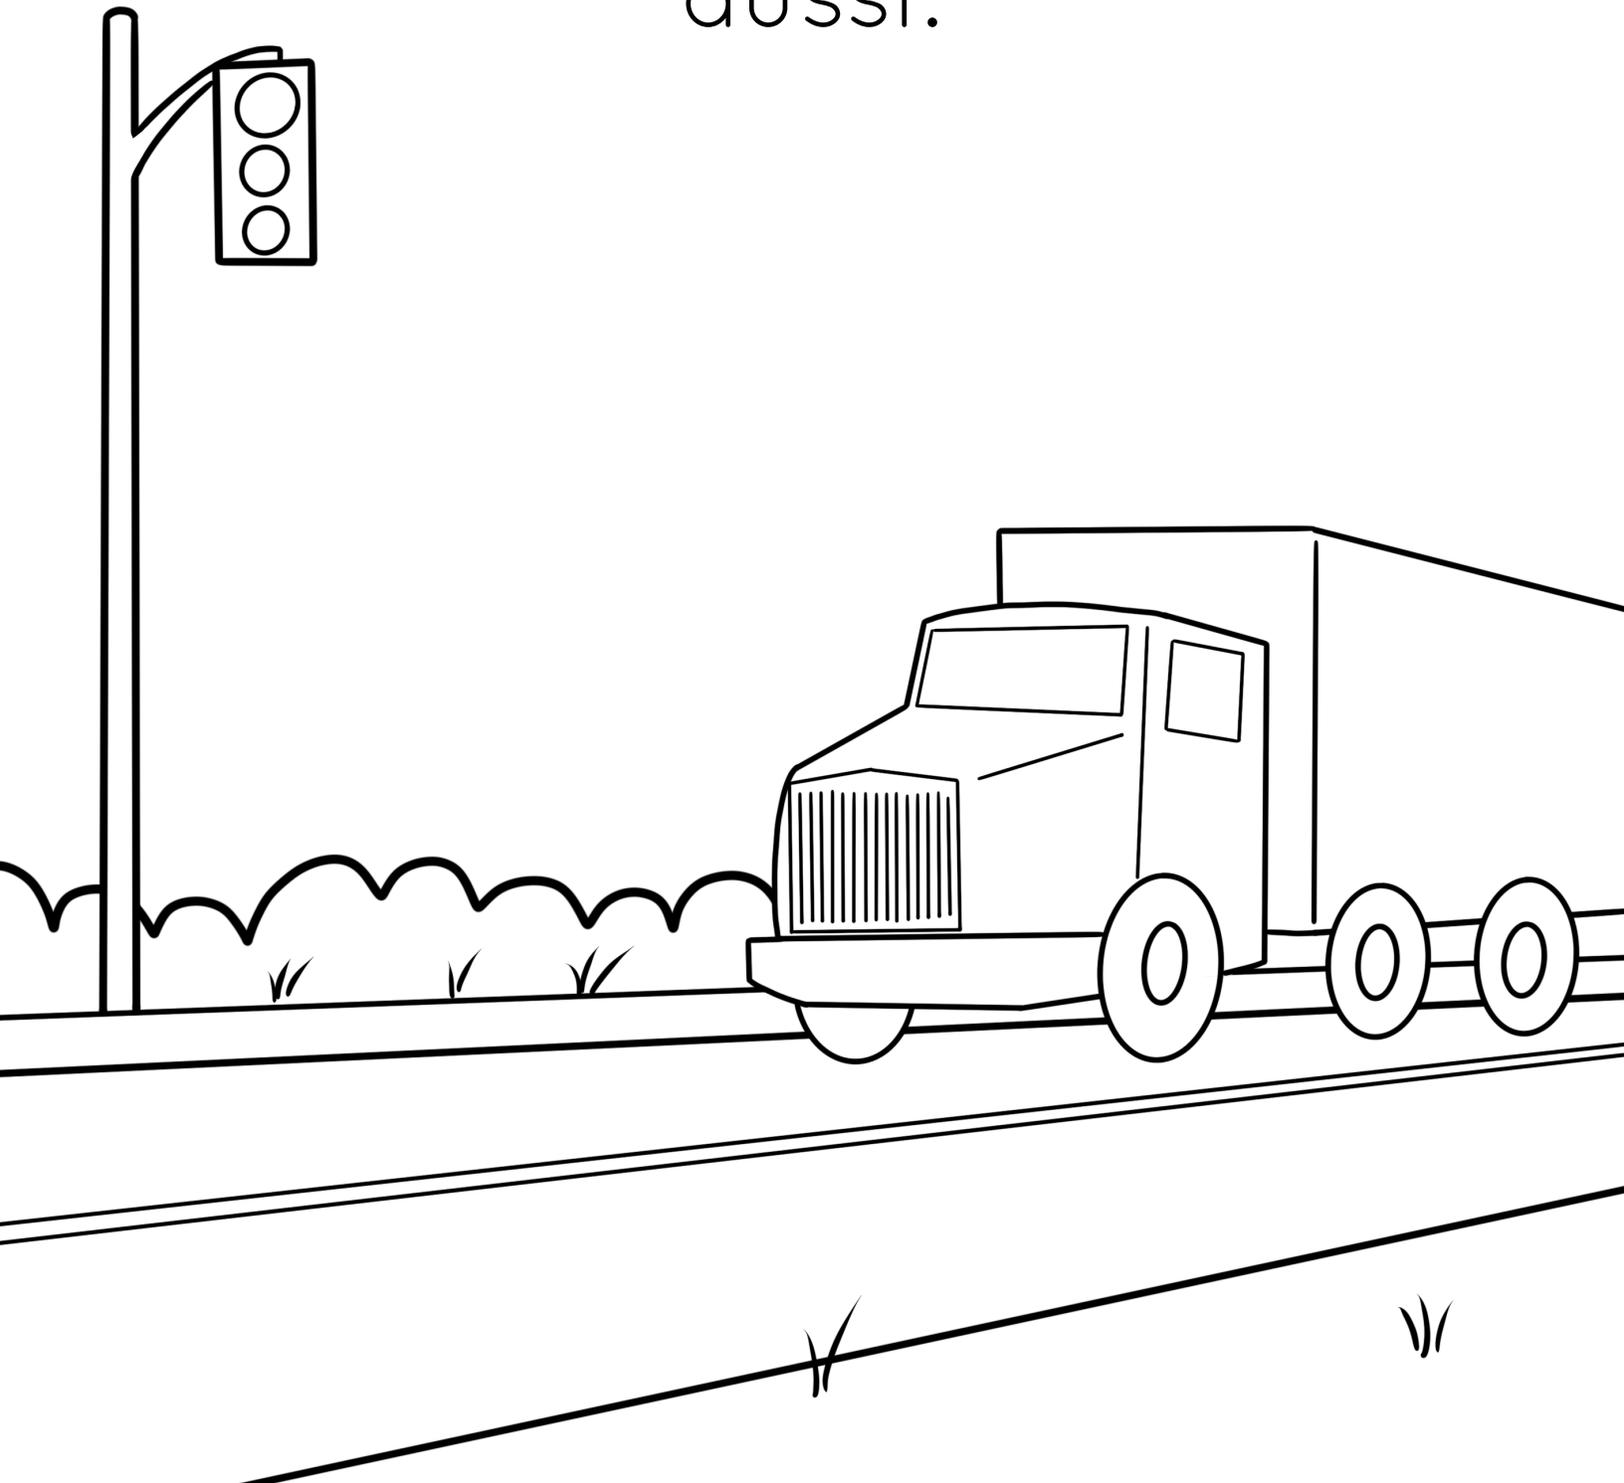

et bien plus encore !

Tu nous verras sur
les autoroutes,

et dans la rue
aussi.

Fais-nous signe
quand tu nous vois !

Vroum vroum, à
la prochaine !
